

Rule of Law

Name: _____

Skit #1: Order and Security

Roles:

Friend #1
Friend #2
Robber
Officer

Summary:

Two friends are attacked by a robber on the street. After searching for half an hour, they finally find a police officer. The police officer doesn't know how to help them. Even when the officer catches the robber, there is no jail where the officer can keep the robber, and the officer does not have the skills to figure out what is going on. The officer suggests the injured friend seek justice through a local council instead of in the court system.

Set:

Friend #1: You always want to go to the mall. Let's go see a movie this time.

Friend #2: But the movie will get out after dark, and it's too dangerous to be on the street after dark.

Friend #1: It's always dangerous on the street! I mean, even right now we could—Hey!

[Robber comes up.]

Robber: Give me all your money!

Friend #1: I don't have any money!

Robber: The watch! Give me the watch! [robber gets into a fight with Friend #1, and Friend #1 is badly injured]

Friend #1: Okay, okay! Take the watch. [Friend #1 removes his watch]

[Robber takes watch and runs away.]

Friend #2: Help! Police!

Friend #1: There aren't any police around here.

Friend #2: Let's try to find one. Can you walk?

Friend #1: I think so. [they walk]

Friend #1: We've been looking for half an hour, and there's no—

Friend #2: There! Help! Police!

[Officer comes over]

Friend #2: Officer! Help! Someone robbed and beat up my friend.

Officer: Do you know where he is?

Friend #1: No. He ran away.

Officer: Hm. Don't know what I can do, then.

Friend #2: Find him!

Officer: In this city? I wouldn't know where to start. And even if I found him, what would I do with him? We don't have anywhere to put him. The jail has been shut down for years.

Friend #2: You can't do anything?

Friend #1: Hey! There he is!

[Officer runs after Robber and catches him by the arm.]

Officer: This is the guy?

Friend #1: Yes! See? He has my watch!

Officer: [to robber] Is this your watch?

Robber: Yes. My mother gave it to me.

Friend #1: That's a lie!

Officer: Look. There's no way for me to know who's telling the truth. [lets robber go]

Friend #2: You're just going to let him go? He needs to be punished!

Friend #1: And he has my watch!

Officer: Take it up with the local council. They can figure out what to do.

Friend #1: I don't want to go to the council. I want to go to court.

Officer: The council is better for this kind of thing.

Friend #1: So you're not going to do anything?

Officer: [shrugs] Nothing I can do. You'll have to solve it yourself, or talk to the council.

Law and Popular Culture Michael Asimow,Kathryn Brown,David Papke,2014-06-12 Commentators have noted the extraordinary impact of popular culture on legal practice courtroom proceedings police departments and government as a whole and it is no exaggeration to say that most people derive their basic understanding of law from cultural products Movies television programs fiction children s literature online games and the mass media typically influence attitudes and impressions regarding law and legal institutions more than law and legal institutions themselves Law and Popular Culture International Perspectives enhances the appreciation of the interaction between popular culture and law by underscoring this interaction s multinational and international features Two dozen authors from nine countries invite readers to consider the role of law related popular culture in a broad range of nations socio political contexts and educational environments Even more importantly selected contributors explore the global transmission and reception of law related cultural products and in particular the influence of assorted works and media across national borders and cultural boundaries The circulation and consumption of law related popular culture are increasing as channels of mass media become more complex and as globalization runs its uncertain course Law and Popular Culture International Perspectives adds to the critical understanding of the worldwide interaction of popular culture and law and encourages reflection on the wider implications of this mutual influence across both time and geography *TIME The Constitution* Editors of TIME Magazine,2012-05-11 Americans have

debated the Constitution since the day it was signed but rarely in its 223 year history have so many disagreed so fiercely about so much Everywher there seems to be a debate about the Constitution s meaning and message The Tea Party with its almost fanatical focus on the founding documents contends that its primary purpse is to restrain the federeal government but does it really say that Among scholars some believe the Constitution should be interpreted exactly as the framers wrote it while others analyze the text just as closely to find the elasticity they believe the framers had in mind But how could the founding fathers know about the world today with DNA sexting airplanes TV Medicare computers and Lady Gaga In this probing and accessible book TIME s editors bring the founding document to life showing how it was written in a spirit of change and revolution and turbulence With an introduction by one of America s top jurists an essay by TIME managing editor Richard Stengel former president of the National Constitution Center and the full text of the 8 000 word Constitution annotated to show its most controversial passages and little known quirks TIME s compact volume will be an indespensable guide for the well informed citizen
