Expecting Excellence in Urban Schools Jelani Jabari,2013-04-17 One of the most immediate challenges in K 12 schools lies in implementing powerful pedagogy which emotionally intellectually and behaviorally engages students The challenge is compounded in urban schools where higher proportions of underprepared minority students are in classrooms with teachers who find it difficult to not only create bonds but also in packaging pedagogy in relevant interesting and meaningful ways Though many teachers can temporarily tap students interests or episodically engage students in a portion of a lesson the ability to create and sustain an engaging educational practice remains largely elusive This book supplies the missing threads through establishing a framework for student engagement which has been cited as the number one factor impacting achievement It is an easy read written a highly conversational tone with a strong research basis You will explore a 7 step process for emotionally intellectually and behaviorally engaging students with a wealth of specific strategies techniques and tools which create an engaging educational experience Utilizing cornerstones of professional learning communities suggestions are offered for utilizing action research collaborative inquiry journal study and shared practice to integrate ideas into practice

Literature for Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when

communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

A Question Worth Asking Angeline Fortin, 2016-09-01 The halls of Glen Cairn Manor churned with so much love and wedded bliss of late the sight had become downright sickening James MacKintosh couldn't understand how his brothers had managed to fall love struck one after another Not when they all knew as well as he how such an emotion could send a man from heaven straight to the bowels of hell But damned if they didn't somehow make it all look so bloody appealing New York suffragette Primrose Eames had more than enough men trying to control her already There was no chance she'd relent and marry again despite her brothers' dogged encouragement on the matter More than anything she wanted independence and the freedom to live life on her own terms A husband would only serve to snatch that dream away from her forever What Prim needed was a decoy and James MacKintosh was just the man for the job Having failed in his search for the perfect woman to wed James was happy to help Prim with a false courtship but only because it served his purposes to avoid the matchmakers as well However James soon discovers that even a fictitious courtship with a woman set on never remarrying has its own challenges For Prim the courtship begins to feel all too real James is too charming too engaging and so supportive of her cause It doesn't take long before she realizes there is a certain freedom to be found in marriage the right sort of man If the right sort of man were interested in marriage that is It's only when betrayal and despair leave them both longing for more in their lives that they realize the importance of a love worth having and a question worth asking
