Saints and Sinners Wear High Heel Shoes Bridgett Y. Nesbit, 2014-07-06 There s nothing like a pair of high heel shoes to a young girl or woman The arch and height the sleekness that they bring Making a female taller and sexier more appealing and alluring The tip of one s toes touching the essence of earth The extending heel bringing out a woman s curves and back side Ooh Wee the men might think look at those legs and those thighs when an unsuspecting saint or sinner passes by And they don t care if you know the Lord or the streets just want to see those ankles in the air with at least the strap of those shoes holding on to your feet As a child Theresa would sneak and put on my mother s heels and church hats She liked looking sexy even though the attire was considered righteous Theresa could peer out her window and see the loose women the ones her mother labeled as bad people strutting up and down the street in their high heel shoes Church was okay to Theresa but too restricting she didn t understand how not wanting to go meant she would end up like those women on the streets Her mother Kathryn and their reverend warned of hell fire and damnation for even listening to secular music of wearing pants There was no way they even understood the high heels they wore At 16 Theresa was not allowed on the phone after 9p m and both she and her younger sisters would be at church if their mother wasn t at work This night she got lucky they would miss the last night of revival services because her mother took a double shift at the hospital The young girl would have the house all to herself she turned the radio on as soon as she saw her mother go up the street Theresa gyrated across the living room floor like she was on BET an urban Black Entertainment Television channel because in her borrowed high heel shoes she felt on top of the world She would eventually find her way in those same streets she thought her mother knew nothing about She d learn of love jealousy sex relationship and life all while wearing a pair of high heel shoes She would also learn the difference between the two

**Saints and Sinners Wear High Heel Shoes** Bridgett Y. Nesbit, 2014-05-19 The purpose of this speak easy is to showcase the variations and contrast of a woman To become a conversation piece For example Queen Vashti the first wife of Biblical king of Xeres wore the finest of her day while the woman at the well with many husbands yet none at that time wore seemingly modest shoes How odd it is that Jesus sought to save our souls while many deal with people on the basis of their attire and footwear instead of the declaration of their belief Nowadays it is hard to tell by our expensive looking knock off shoes and bags wigs and contacts what their financial status is And in its hard to tell with the new styles showcased at church whether a shoe is meant for the club or the choir This book helps answer a question and furthers our Messiahs message that He is concerned with our eternal souls and not the soles of our feet Teaching us not to judge a book by its cover but through Jesus greatest commandment to love your fellow man whether saint or sinner Let us learn to walk in their shoes before we judge them meet these young ladies who all wear high heels
