of fixed identity and questions the nature of reality      *Tragicomedy and Contemporary Culture* John Orr, 2016-07-27 This study examines the historical relationship between tragicomedy in the modernist theatre and the performative culture of Western consumer societies While discussing a wide range of playwrights it focusses specifically on the work of Samuel Beckett Harold Pinter and Sam Shepard Their plays it is argued illuminate the forms of pleasure fear performance and corruption which dominate our daily lives Tragicomedy is seen as unique because of the existential playfulness and confusion of its protagonists and because of its muted vision of apocalypse in the nuclear age      **Modern American Drama: Playwriting in the 1970s** Michael Vanden Heuvel, 2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their works to receive in depth coverage in this volume include David Rabe *The Basic Training of Pavlo Hummel* *Sticks and Bones* and *Streamers* Sam Shepard *Curse of the Starving Class* *Buried Child* and *True West* Ntozake Shange *For colored girls who have considered suicide when the rainbow is enuf* *Spell 7* and *Boogie Woogie* Landscapes Richard Foreman *Sophia Wisdom Part 3* *The Cliffs* *Pandering to the Masses* *A Misrepresentation* and *Rhoda in Potatoland* *Her Fall Starts*      *Staging Masculinity* Carla J. McDonough, 2006-07-19 The men in plays such as Arthur Miller's *Death of a Salesman* or Sam Shepard's *True West* are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O'Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O'Neill's play *The Hairy Ape* and the character Yank receive much attention      *True West* Robert Greenfield, 2023-04-11 NEW YORK TIMES EDITORS CHOICE A revelatory biography of the world famous playwright and actor Sam Shepard whose work was matched by his equally dramatic life including collaborations with the Rolling Stones and Bob Dylan as well as tumultuous relationships with Patti Smith Joni Mitchell and Jessica Lange What *True West* achieves in its finest pages is placing the artist in his time I was filled with excitement envy and reverence for the New York
