Daniel W. Halpin, Bolivar A. Senior, Gunnar Lucko, 2017-08-07 It is often said that the construction professional has to be a jack of all trades and master of all. This text covers a wide range of subjects reflecting the breadth of knowledge needed to understand the dynamics of this large and complex industry. This edition includes updated chapters on planning and scheduling, a new chapter addressing linear scheduling methods, material regarding the historical background of construction as a profession, and includes an Instructor Resource of solutions to the end of chapter review exercises. This text has become a standard course text at many universities. The first four editions have enjoyed wide success as an introductory treatment of the subjects which are critical to success in the construction industry. This fifth edition preserves the features that have been most appreciated by its users throughout the years and adds suggestions provided by instructors and students through formal surveys and informal feedback to the authors.

Construction Business Management Nick Ganaway, 2007-06-01 Only 43 per cent of U S construction firms remain in business after four years Why Inadequate management according to the U S Small Business Administration This is surprising because most construction firms are formed by ambitious construction project managers executives and tradesmen who have excelled at what they have been doing But as experienced as these entrepreneurs may be they are not likely prepared to take on the full range of responsibilities forced on them in managing the business of construction in its entirety While this business failure rate and its causes are based on U S experience available data from a number of other industrialized countries shows they are similar This book describes in detail what the business side of the construction equation requires of the construction firm owner The contractor who quickly learns these requirements can identify and avoid or manage around the pitfalls that cause the high failure rate in our industry and put his or her construction firm on a level playing field with the best run companies in the business The detailed duties of the owner whether in the U S U K Australia or Canada are a common theme throughout the book The author Nick Ganaway speaks peer to peer and the book is sprinkled with supporting examples from his own experience He is immersed in the industry and this book is based on the things I've learned used and refined as a light commercial general contractor in the course of starting

and operating my own construction firm for 25 years The contractor doing 5 million or 50 million or more in annual sales or the equivalent amount in other countries or the entrepreneur who is just starting up can use the tried and proven material in this book to build a business that is profitable enjoyable and enduring Additionally the book devotes a chapter to specializing in chain store construction QuickBooks 2013: The Missing Manual Bonnie Biafore,2012-10-19 The Official Intuit Guide to QuickBooks 2013 for Windows Your bookkeeping workflow will be smoother and faster with QuickBooks 2013 for Windows and as the program s Official Guide this Missing Manual puts you firmly in control You get step by step instructions on how and when to use specific features along with basic accounting advice to guide you through the learning process The important stuff you need to know Get started Set up your accounts customers jobs and invoice items quickly Follow the money Track everything from billable time and expenses to income and profit Keep your company financially fit Examine budgets and actual spending income inventory assets and liabilities Spend less time on bookkeeping Use QuickBooks to create and reuse bills invoices sales receipts and timesheets Find key info fast Rely on QuickBooks Search and Find features as well as the Vendor Customer Inventory and Employee Centers Exchange data with other programs Move data between QuickBooks Microsoft Office and other programs **The Contractor's Exam Book** John Gladstone,George Perpich,Sandra Perpich,1997 To help you successfully prepare for and pass the examination for certified General Builder and Residential Contractor **Computer Accounting With Peachtree Complete 2003 For Microsoft Windows** Carol Yacht,McGraw-Hill Education,2004-02
