Dear **Hank Wilkins**,

Subject: Project Clarification Regarding Contractual Obligations

I hope this message finds you well. I am writing to seek clarification on certain aspects of our contract regarding Project Phoenix. Specifically, I would like to address the following points:

1. **Contractual Obligations:** Please clarify the timeline for the completion of the user acceptance testing phase, as it is currently unclear in our agreement.
2. **Deliverables:** There seems to be some ambiguity regarding the final project report. Could you please provide additional details on what should be included and the expected format?
3. **Timelines:** I would appreciate your confirmation on the deadlines related to the milestone deliverables set for December 1, 2050.

Your prompt response will help us align our efforts and ensure the successful execution of the project.

Thank you for your attention to these matters. I look forward to your clarification.

Best regards,

Miner, Kelly C. Ball-Stahl, 2016-05-09 This book is an essential weapon for anyone looking for funding in the extremely competitive grantseeking world It explains how and why to approach both public and private sponsors with not just information but persuasion for the best chance for success How do you present the right balance of logic emotion and relationship awareness to make a persuasive proposal What is THE most important thing to do before submitting a proposal to increase your odds for funding success What portion of the proposal must be stressed even when it has a low point value

assigned to it in the reviewer's evaluation form. How can a site visit make or break the fate of a meticulously prepared application? Models of Proposal Planning Writing Second Edition answers all these critical questions and more for grantseekers documenting how to write a proposal that will persuade a sponsor to invest in your projects and organization and just as importantly explaining why a properly persuasive application puts forth a seamless argument that stands the test of reason, addresses psychological concerns and connects your project to the values of the sponsor. The book's comprehensive annotations provide practical information that walks readers step by step through a logical integrated process of planning and writing persuasive proposals.
