amulet nature and the high refresh rate makes using the phone a very fluid experience The speakers on the FS are great in terms of clarity with the mids and highs For the camera there s a 12 megapixel wide an megapixel telephoto and a 12 megapixel ultra wide This does seem a little cut down from the huge 108 megapixels wide from the note 20 Ultra and even the 64 megapixel telephoto camera on the S 20 but in real world usage the photos and videos coming from the rear cameras are pretty decent The S 20 FE comes with a pretty big 4500 MHA hour battery for battery life no matter which version you get You can get a screen time of around five hours before needing to recharge The phone can wirelessly fast charge at up to 15 watts fast charge via USB C and up to 25 watts in reverse wireless charge This book offers a thorough guide on how to navigate through your Samsung Galaxy S20 FE device This book is your guide to learn things like How To Secure Your Device Using Biometrics How To Use Your Device With Compatible Mobile Devices And Computers How To Use Multi Windows To Multitask All You Need To Know About The Edge Screen How To Use Emergency Mode Features Of Your Camera And How To Navigate The Camera Screen How To Use Single Take How To Use The AR Zone How To Use The Scene Optimizer How To Record Videos How To Make Live Focus Videos How To Use Super Slow Mo How To Use Super Steady How To Use Tethering Setting Up Nearby Device Scanning Connecting To A Printer How To Navigate And Set Up Virtual Private Networks VPN How To Connect To Private DNS All You Need To Know About Sound Mode Set Up How To Access And Manage Notifications How To Navigate Your Display Setting And Things You Can Do With It How To Optimize Your Device s System Resources And many more If you want to get a smartphone consider the Samsung Galaxy S20 FE as it is durable and decent We recommend this user manual for you to learn many more functionalities of this device So what are you waiting for Scroll up and Click the Orange BUY NOW WITH 1 CLICK BUTTON on the top right corner and Download Now You won t regret you did See you inside
