Stanley, 2008-06-08 God how did I get in this mess Is that the cry of your heart You may be in the midst of an emotional hurricane right now and wondering Can anything good come out of this situation Or you may be stumbling through the aftermath of a physical or financial crisis fearful that you ll never get back on your feet In *How to Let God Solve Your Problems* Dr Charles Stanley demonstrates how God allows times of trial for a number of reasons To turn your attention back toward Him To adjust your priorities To purify and prepare you for greater service To better form you into His image To grant you the experience of His comfort Whether your hardship is the result of sin unwise choices or simply the consequence of living in a fallen world God still has a plan for your life He is aware of your circumstances He has not forgotten His promises and He will guide you through your difficulty to victory **When the Enemy Strikes** Charles F. Stanley, 2006-03-12 Your enemy is strong The battle is real Prepare for victory Fear discouragement loneliness anger temptation These struggles are common to every human Yet not all circumstances or negative emotions originate within They could be the result of a willful coordinated assault of Satan In *When the Enemy Strikes* best selling author Dr Charles Stanley explores the often overlooked reality of spiritual warfare the tactics used by Satan to taunt confuse slander and harm Your adversary wants to crush your will delay your promise hinder your destiny destroy your relationships and lead you into sin Dr Stanley reveals how you should respond The most important component of warfare says Dr Stanley is the supremacy of God both His sovereignty and His power Practically this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him His strength crushes the enemy This is a world of conflict between good and evil of powers beyond the merely human The battle is unavoidable but take heart God has given you the strength to stand *How to Listen to God* Charles F. Stanley, 2002-09-01 Every day we hear dozens of outside opinions from our spouses and our family members to our coworkers and our church community but how can we shift our focus away from the clamor of other voices so we don t miss what God is trying to tell us *How to Listen to God* helps you distinguish God s voice from all the rest Bestselling author Dr Charles Stanley shares the lessons he s learned on his own journey to listening to the God who wants to communicate personally with you including How God gets your attention Four ways God speaks to you The importance of your own spiritual mindset Scriptural guidelines for recognizing God s voice The
