**The Cultural Politics of One-to-One Performance** Rachel Zerihan, 2022-09-24 This monograph is the first study to critically examine works of performance made for an audience of one Despite being a prolific feature of the performance scene since the turn of the millennium critical writing about this area of contemporary practice remains scarce This book proposes a genealogy of the curious relationship between solo performer and lone spectator through lineages in the histories of live art visual art and theatre practices Drawing on one to one performances by artists including Marilyn Arsem Oreet Ashery Franko B Rosana Cade Jess Dobkin Karen Finley David Hoyle Adrian Howells Kira O Reilly Barbara T Smith and Julie Tolentino Rachel Zerihan produces research that is both affective and critical This performance analysis proposes four frameworks through which to examine the significance and challenge of this work cathartic social explicit and economic One to one performance is proposed as a rich portal for examining the cultural politics of contemporary society The book will appeal to students and scholars from performance studies theatre visual art and cultural studies

**Presence and Resistance** Philip Auslander, 1994 Examines performance art in the 1980s and new modes of political art in a media saturated culture **Black Movements** Soyica Diggs Colbert, 2017-04-28 Black Movements analyzes how artists and activists of recent decades reference earlier freedom movements in order to imagine and produce a more expansive and inclusive democracy The post Jim Crow post apartheid postcolonial era has ushered in a purportedly color blind society and along with it an assault on race based forms of knowledge production and coalition formation Soyica Diggs Colbert argues that in the late twentieth century race went underground and by the twenty first century race no longer functioned as an explicit marker of second class citizenship The subterranean nature of race manifests itself in discussions of the Trayvon Martin shooting that focus on his hoodie an object of clothing that anyone can choose to wear rather than focusing on structural racism in discussions of the epidemic proportions of incarcerated black and brown people that highlight the individual s poor decision making rather than the

criminalization of blackness in evaluations of black independence struggles in the Caribbean and Africa that allege these movements have accomplished little more than creating a black ruling class that mirrors the politics of its former white counterpart Black Movements intervenes in these discussions by highlighting the ways in which artists draw from the past to create coherence about blackness in present and future worlds Through an exploration of the way that black movements create circuits connecting people across space and time Black Movements offers important interventions into performance literary diaspora and African American studies *The Cultural Politics of Slam Poetry* Susan Somers-Willett, 2009-05-07

How do slam poets and their audiences reflect the politics of difference **Mikhail Larionov and the Cultural Politics of Late Imperial Russia** Sarah Warren, 2013 Outgrowth of the author's thesis doctoral University of Southern California

*The Cultural Politics of Obeah* Diana Paton, 2015-08-10 An innovative history of the politics and practice of the Caribbean spiritual healing techniques known as obeah and their place in everyday life in the region Spanning two centuries the book results from extensive research on the development and implementation of anti obeah legislation It includes analysis of hundreds of prosecutions for obeah and an account of the complex and multiple political meanings of obeah in Caribbean societies Diana Paton moves beyond attempts to define and describe what obeah was instead showing the political imperatives that often drove interpretations and discussions of it She shows that representations of obeah were entangled with key moments in Caribbean history from eighteenth century slave rebellions to the formation of new nations after independence Obeah was at the same time a crucial symbol of the Caribbean s alleged lack of modernity a site of fear and anxiety and a thoroughly modern and transnational practice of healing itself *Theatre's Heterotopias* J. Tompkins, 2014-11-04 Theatre s Heterotopias analyses performance space using the concept of heterotopia a location that when apparent in performance refers to the actual world thus activating performance in its culture Case studies cover site specific and multimedia performance and selected productions from the National Theatre of Scotland and the Globe Theatre
