Identity Transformation and Politicization in Africa Toyin Falola, Céline A.

Jacquemin, 2022-09-06 Identity Transformation and Politicization in Africa Shifting Mobilization edited by Toyin Falola and Celine A Jacquemin questions whether identity is providing and sustaining power for elites or fueling oppression and conflicts being mobilized for exclusionary movements versus inclusive societal changes or educating in ways that foster progress and development Do aspects of African identities and the challenges they present also hold prospects for more inclusive and peaceful democratic and representative futures The contributors cover a wide spectrum of expertise on different African countries Kenya Nigeria Ghana Rwanda Morocco and Libya They come from diverse disciplines History Political Science Public Administration Philosophy Economics and Finance Cultural Studies Music and International Relations and use various methods and approaches in their research Some contributors belong to the groups whose identity is being scrutinized and are participants in the efforts to politicize and mobilize while others remain outside observers who share some traits or interests with the African identities examined and provide different kinds of insights Several chapters explore how innovative pedagogical projects studying African history and identity facilitated by the internet and new social media transform and connect with the African continent Each author provides important insights on how mobilization around identity issues has been shifting with the internet and social media *Environment and Belief Systems* G. N. Devy, Geoffrey V.

Davis, 2020-06-07 Part of the series Key Concepts in Indigenous Studies this book focuses on the concepts that recur in any discussion of nature culture and society among the indigenous The book the first in a five volume series deals with the two crucial concepts of environment and belief systems of indigenous peoples from all the continents of the world With contributions from renowned scholars activists and experts from around the globe it presents a salient picture of the environments of indigenous peoples and discusses the essential features of their belief systems It explores indigenous perspectives related to religion ritual and cultural practice art and design and natural resources as well as climate change impacts among such communities in Latin and North America Oceania Australia New Zealand and the South Pacific Islands India Brazil Southeast Asia and Africa Bringing together academic insights and experiences from the ground this unique book's wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in anthropology social anthropology sociology and social exclusion studies religion and theology and cultural studies as well as activists working with indigenous communities *Marginalised and Endangered Worldviews*

Lidia Guzy, James Kapaló, 2017 The study of worldviews marginalized by mainstream modernity is an eminently important undertaking It helps us better recognise cherish and keep the values of traditions and practices that exist This is important when the uniform vision of the world heaped on us from the medias modernist political movements and ideologies revealed itself as unreal and fake rendering it evident that the modern utopia of enlightened rationality is just a delirious nightmare Arpad Szakolczai Professor of Sociology U College Cork This book fosters dialogue on critical problems faced by endangered indigenous cultures and marginalised communities The ethos is collaborative and comparative describing the implications for

global society of the destruction and impoverishment of human and ecological cultural diversity Series Ethnology Research and Science Ethnologie Forschung und Wissenschaft Vol 26 Subject Sociology Anthropology Environmental Studies Politics Globalization Cultural Studies      **Tribal Development Report** Mihir Shah,P.S. Vijayshankar,Bharat Rural,2022-09-30 This book sheds light on the status of tribal communities in Central India with respect to governance human development gender health education arts and culture Written by noted academics thematic experts and activists this first of its kind report by the Bharat Rural Livelihoods Foundation brings together case studies archival research and exhaustive data on key facets of the lives of Adivasis the various programmes meant for their development and the policy and systems challenges to build a better understanding of the Adivasi predicament This volume Discusses the human development challenges faced by the Adivasis in India covering the dismal state of health education and nutrition in Adivasi regions Explores key issues related to gender and development in an Adivasi context the impact of the loss of common lands and forests on their traditional economic roles Presents the progress made thus far in implementing PESA and FRA Examines the current state of Denotified Tribes in India the policy response of the state post independence and the abrogation of the act and discusses the immediate need for recognition of their political rights Highlights the importance of recognising developing and preserving Adivasi arts music dance crafts language and literature and knowledge systems Companion to Tribal Development Report Livelihoods this book will be of great interest to scholars and researchers of indigenous studies development studies and South Asian studies

*Indigenous Transnationalism* Lynda Ng,2018-11-01 After Aboriginal author Alexis Wright s novel *Carpentaria* won the Miles Franklin Award in 2007 it rapidly achieved the status of a classic The novel is widely read and studied in Australia and overseas and valued for its imaginative power its epic reach and its remarkable use of language *Indigenous Transnationalism* brings together eight essays by critics from seven different countries each analysing Alexis Wright s novel *Carpentaria* from a distinct national perspective Taken together these diverse voices highlight themes from the novel that resonate across cultures and continents the primacy of the land the battles that indigenous peoples fight for their language culture and sovereignty a concern with the environment and the effects of pollution At the same time by comparing the Aboriginal experience to that of other indigenous peoples they demonstrate the means by which a transnational approach can highlight resistance to or subversion of national prejudices      *Orality and Language* G. N. Devy,Geoffrey V. Davis,2020-10-29 Part of the series *Key Concepts in Indigenous Studies* this book focuses on the concepts that recur in any discussion of the society culture and literature among indigenous peoples This book the fourth in a five volume series deals with the two key concepts of language and orality of indigenous peoples from Asia Australia North America and South America With contributions from renowned scholars activists and experts from across the globe it looks at the intricacies of oral transmission of memory and culture literary production and transmission and the nature of creativity among indigenous communities It also discusses the risk of a complete decline of the languages of indigenous peoples as well as the attempts being made to conserve these

languages Bringing together academic insights and experiences from the ground this unique book with its wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in social and cultural anthropology tribal studies sociology and social exclusion studies politics religion and theology cultural studies literary and postcolonial studies and Third World and Global South studies as well as activists working with indigenous communities

**Gender and Rights** G. N. Devy, Geoffrey V. Davis, 2020-09-16 Part of the series Key Concepts in Indigenous Studies this book focuses on the concepts that recur in any discussion of nature culture and society among the indigenous This book the second in a five volume series deals with the two key concepts of gender and rights of indigenous peoples from all continents of the world With contributions from renowned scholars activists and experts across the globe it looks at issues of indigenous human rights gender justice repression resistance resurgence and government policies in Canada Latin America North America Australia India Brazil Southeast Asia and Africa Bringing together academic insights and experiences from the ground this unique book with its wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in gender studies human rights and law social and cultural anthropology tribal studies sociology and social exclusion studies religion and theology cultural studies literary and postcolonial studies Third World and Global South studies as well as activists working with Indigenous communities

Shifting Horizons and Crossing Borders, 2024-07-29 The book captures key moments in the critical and creative dialogue of literary scholars poets and artists with poet author documentary film maker and literary scholar Stephanos Stephanides Employing a polyphonic and cross disciplinary perspective the twenty three essays and creative pieces flow together in cycles of continuities and discontinuities emulating Stephanides s fluid and transgressive universe Drawing on the broad topic of borders and crossings Shifting Horizons and Crossing Borders offers critical material on themes such as space and place dislocation and migration journeys and bridges movement and fluidity the aesthetics and the politics of the sea time nostalgia and trans cultural memory identity and poetics translation and translatability home and homecoming An invaluable reference for anyone interested in the crosscurrents between the poetic the cultural and the political

**Performing Indigeneity** Morgan Ndlovu, 2019-01-20 Colonised subjects can play roles that sustain the power structure of coloniality In this book Morgan Ndlovu asks why people help support a system responsible for their own subjugation Morgan Ndlovu provides a critique of the agency of the colonised subjects as exercised under coloniality Eschewing abstract theory he takes a bottom up approach to theorising the agency of indigenous people Through analysis of the experiences of the performance of indigeneity and the staged representations of commodified culture in South Africa he recognises the efforts of the colonised subjects and the conditions under which they survive However he also cautions against choices and actions that may aggravate their conditions Performing Indigeneity provides an insightful evaluation of what could constitute an authentic indigenous agency among the colonial subalterns in India Australia Canada Africa and the

Americas      **The Fabric of Indigeneity** ann-elise lewallen,2016-10 Front Cover Title Page Copyright Contents Preface Acknowledgments A Note on Style Introduction Contemporary Self Craft and Gendered Practices 1 Indigenous Modernity 2 Contemporary Practice and Contested Heritage 3 The Clamor of Our Blood The Politics of Belonging and Modern Ainu Identity 4 The Gendering of Ethnicity in Ainu Society COLOR PLATES 5 Embodied Knowledge 6 In Lieu of Repatriation Epilogue Notes Glossary References Index Back Cover      **Dancing Mestizo Modernisms** Jose Luis Reynoso,2023-12-12

This book analyzes how national and international dancers contributed to developing Mexico's cultural politics and notions of the nation at different historical moments It emphasizes how dancers and other moving bodies resisted and reproduced racial and social hierarchies stemming from colonial Mexico 1521 1821 Relying on extensive archival research choreography as an analytical methodology and theories of race dance and performance studies author Jose Reynoso examines how dance and other forms of embodiment participated in Mexico's formation after the Mexican War of Independence 1821 1876 the Porfirian dictatorship 1876 1911 and postrevolutionary Mexico 1919 1940 In so doing the book analyzes how underlying colonial logics continued to influence relationships amongst dancers other artists government officials critics and audiences of different backgrounds as they refashioned their racial social cultural and national identities The book proposes and develops two main concepts that explore these mutually formative interactions among such diverse people embodied mestizo modernisms and transnational nationalisms Embodied mestizo modernisms refers to combinations of indigenous folkloric ballet and modern dance practices in works choreographed by national and international dancers with different racial and social backgrounds The book contends that these mestizo modernist dance practices challenged assumptions about racial neutrality with which whiteness historically established its ostensible supremacy in constructing Mexico's transnational nationalisms This argument holds that notions of the nation state and national identities are not produced exclusively by a nation's natives but also by historical transnational forces and dancing bodies whose influences shape local politics economic interests and artistic practices      **Movement and Indigenous Religions** Meaghan Weatherdon,Seth

Schermerhorn,2024-07-12 This edited book brings together leading scholars in the field of Indigenous religions working with Indigenous Peoples from the United States Canada Mexico and Europe to examine various Indigenous discourses practices and politics of movement as they intersect with issues of religion and spirituality Indigenous Peoples and their religious traditions have always been mobile and adaptive Scholars of Indigenous religions have tended to focus their theories of Indigeneity and religion on Indigenous Peoples cultural and historic connections to particular land bases not always attending to the full complexity of Indigenous Peoples mobile lived realities Attention to mobility within the study of Indigenous religions reveals the many ways Indigenous religions in addition to being grounded on the land and situated in shared pasts are expansive relational innovative and future oriented The contributions to this volume highlight the centrality of mobility to cultivating personhood maintaining networks of affinity and belonging fostering political alliances and

solidarities and generating religious meaning This book will be a key resource for scholars and students in the fields of religious studies Indigenous studies anthropology and history as well as to a broad general audience interested in larger questions around the politics of decolonization Indigenous sovereignty and self determination It was originally published as a special issue of Material Religion     Defiant Indigeneity Stephanie Nohelani Teves,2018-03-14 Aloha is at once the most significant and the most misunderstood word in the Indigenous Hawaiian lexicon For K naka Maoli people the concept of aloha is a representation and articulation of their identity despite its misappropriation and commandeering by non Native audiences in the form of things like the hula girl of popular culture Considering the way aloha is embodied performed and interpreted in Native Hawaiian literature music plays dance drag performance and even ghost tours from the twentieth century to the present Stephanie Nohelani Teves shows that misunderstanding of the concept by non Native audiences has not prevented the K naka Maoli from using it to create and empower community and articulate its distinct Indigenous meaning While Native Hawaiian artists activists scholars and other performers have labored to educate diverse publics about the complexity of Indigenous Hawaiian identity ongoing acts of violence against Indigenous communities have undermined these efforts In this multidisciplinary work Teves argues that Indigenous peoples must continue to embrace the performance of their identities in the face of this violence in order to challenge settler colonialism and its efforts to contain and commodify Hawaiian Indigeneity     *Indians Playing Indian* Monika Siebert,2015-02-27 In *Indians Playing Indian* Monika Siebert explores the appropriation or misappropriation of Native American cultural heritage for political and commercial ends and the innovative ways in which indigenous artists in a range of media have responded to these developments Contemporary indigenous people in North America confront a unique predicament As legal and diplomatic practice in the early twenty first century returns to the recognition of their status as citizens of historic sovereign nations popular culture continues to depict them as cultural minorities on the par with other ethnic Americans This popular misperception of indigeneity as culture rather than as a historically developed political status sustains the myth of America as a refuge to the world s immigrants and a home to successful multicultural democracies But it fundamentally misrepresents indigenous people who have experienced a history of colonization rather than a tradition of immigration on the continent Contemporary indigenous cultural production is caught up in this phenomenon of multicultural misrecognition as well The current flowering of indigenous literature cinema and visual arts is typically taken as evidence that Canada and the United States have successfully broken with their colonial pasts to become thriving nations of many cultures where Native Americans along other minorities enjoy full freedom to represent their cultural difference     *The Oxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner,2019-08-06 *The Oxford Handbook of American Folklore and Folklife Studies* surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters delve into significant themes and methods of folklore and folklife

study established expressions and activities spheres and locations of folkloric action and shared cultures and common identities Beyond the longstanding arenas of academic focus developed throughout the 350 year legacy of folklore and folklife study contributors at the forefront of the field also explore exciting new areas of attention that have emerged in the twenty first century such as the Internet bodylore folklore of organizations and networks sexual orientation neurodiverse identities and disability groups Encompassing a wide range of cultural traditions in the United States from bits of slang in private conversations to massive public demonstrations ancient beliefs to contemporary viral memes and a simple handshake greeting to group festivals these chapters consider the meanings in oral social and material genres of dance ritual drama play speech song and story while drawing attention to tradition centered communities such as the Amish and Hasidim occupational groups and their workaday worlds and children and other age groups Weaving together such varied and manifest traditions this handbook pays significant attention to the cultural diversity and changing national boundaries that have always been distinctive in the American experience reflecting on the relative youth of the nation global connections of customs brought by immigrants mobility of residents and their relation to an indigenous urbanized and racialized population and a varied landscape and settlement pattern Edited by leading folklore scholar Simon J Bronner this handbook celebrates the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice

*The Sage Handbook of Qualitative Research in Sport and Physical Culture* Michael D. Giardina, Michele K. Donnelly, Devra J. Waldman, 2025-07-05

The Sage Handbook of Qualitative Research in Sport Physical Culture is a pivotal resource that marks the next evolutionary step in the field of qualitative research within sport and physical culture Building on decades of methodological advancements and scholarly contributions this handbook addresses the dynamic and expanding nature of the field It brings together a diverse group of contributors from over a dozen countries including Argentina Australia Canada China France Japan Netherlands Norway Poland Qatar Spain the United States and the United Kingdom showcasing the international growth and vibrancy of qualitative research in this domain Contributors come from a wide array of disciplinary backgrounds such as anthropology education health sciences human movement and nutrition sciences journalism and communication kinesiology public health sociology sport and exercise psychology sport management and women s gender and sexuality studies They explore a range of traditional and emerging topics and methodologies from feminist inquiry and Indigenous methodologies to new materialism and political ecologies from interviewing and ethnography to arts based methods and participatory research and from qualitative research developments in Asia and the Middle East to studies with fan communities and Olympic and Paralympic athletes Organized into five parts the handbook begins with the politics of inquiry emphasizing the inescapable political dimensions of qualitative research including questions of reflexivity positionality grant funding and co production It then delves into philosophies of inquiry practices of inquiry and sites of inquiry and concludes
