

The image displays a comprehensive periodic table of elements, color-coded by groups and periods. The elements are arranged in a grid, with each cell containing the element's symbol, atomic number, and name. The table is divided into several color-coded blocks: s-block (red), p-block (yellow), d-block (blue), f-block (green), and g-block (purple). A central diagram shows the periodic table with the following labels: s-block, p-block, d-block, f-block, and g-block. The periodic table is organized into groups (columns) and periods (rows). The groups are labeled with numbers 1 through 18, and the periods are labeled with numbers 1 through 7. The elements are arranged in a way that shows their chemical and physical properties, with elements in the same group having similar properties and elements in the same period having similar properties.
