Anti-Discriminatory Practice in Counselling & Psychotherapy Colin Lago,Barbara Smith,2010-09-21 Anti Discriminatory Practice in Counselling and Psychotherapy is a groundbreaking text which identifies the ease with which individuals can be

disadvantaged merely on the basis of their gender race culture age sexuality or ability Examining these and other areas of discrimination leading experts highlight how vital it is for counsellors psychotherapists and others in the helping professions to be aware of and engage with their own social political and cultural attitudes and how they must develop their skills as culturally sensitive reflective practitioners if counselling is to be truly accessible to all members of society This substantially revised and updated second edition now also includes chapters on working within an anti discriminatory approach with refugees people with mental health difficulties people with disfigurement or visible differences While each thought provoking chapter now links theory to practice by providing case studies and extracts from therapeutic dialogues assesses the most recent research findings provides exercises for enhancing awareness and skills within each different domain or care setting presents references for further recommended reading Clearly written and accessible *Anti discriminatory Practice in Counselling and Psychotherapy* is an indispensable addition to the toolkit of everyone either training to be or practising in the counselling and psychotherapeutic professions *The Past in the Present* David Mann, Valerie Cunningham, 2008-07-21 *The Past in the Present* brings together for the first time contemporary ideas from both the psychoanalytic and humanistic therapy traditions looking at how trauma and enactments affect therapeutic practice Enactments are often experienced as a crisis in therapy and are understood as symbolic interactions between the client and therapist where personal issues of both parties become unconsciously entwined This is arguably especially true if the client has undergone some form of trauma This trauma becomes enacted in the therapy and becomes a turning point that significantly influences the course of therapy sometimes with creative or even destructive effect Using a wealth of clinical material throughout the contributors show how therapists from different therapeutic orientations are thinking about and working with enactments in therapy how trauma enactment can affect the therapeutic relationship and how both therapist and client can use it to positive effect *The Past in the Present* will be invaluable to practitioners and students of analytic and humanistic psychotherapy psychoanalysis analytic psychology and counselling ***Counselling Young Binge Drinkers*** Richard Bryant-Jefferies, 2018-12-14 Young binge drinkers are becoming more and more common in society today By using case studies with fictitious clients this timely and much needed book offers the reflective thoughts and feelings of both client and counselor in a user friendly format Counselors and psychotherapists who practice or are interested in the person centered approach will find this book invaluable particularly those who work with young people It also provides vital information for youth leaders teachers and parents of young people and counselors and therapists in training *Counselling Victims of Warfare* Richard Bryant-Jefferies, 2016-07-14 In the United Kingdom since 1987 38 000 people have been referred to The Medical Foundation for specialist psychological treatment relating to warfare and in the past 80 years 75 000 military personnel have received counselling from the Ex Services Mental Welfare Society The topic of warfare induced psychological stress and trauma is a vast one This book gives an unique person centred insight into counselling victims of warfare either civilians or military

personnel whose trauma is physical or psychological It covers such topics as anger death nightmares recovered memories emotional and physical pain and alcohol use It also contains a list of useful contacts for further support and helpful tips Counsellors trainees and other healthcare and social care professionals dealing with civilian or military victims of warfare will find this guide invaluable
