In the House of the Serpent Handler Julia C. Duin, 2024-01-12 In the House of the Serpent Handler offers an intimate and engrossing look at the latest generation of Pentecostal believers who take up venomous snakes as a test of their religious faith Focusing on several preachers and their families in six Appalachian states journalist Julia C Duin explores the impact that such twenty first century phenomena as social media and reality television have had on rituals long practiced in obscurity As Duin reveals the mortal snakebite suffered by pastor Mack Wolford in 2012 marked the passing of the torch to younger preachers Jamie Coots and Andrew Hamblin who were featured in the 2013 series Snake Salvation on the National Geographic Channel Seeing their participation in the show as a way of publicizing their faith and thus winning converts Coots and Hamblin attempted to reinvent the snake handling tradition for a modern audience The use of the internet particularly Facebook became another key part of their strategy to spread their particular brand of Christianity However Coots's own death in 2014 was widely reported after the TV series was canceled while Hamblin who emerges as the central figure in the book was arrested and tried after a shooting incident involving his estranged wife His hopes of becoming a serpent handling superstar seemingly dashed Hamblin spent several months in prison emerging more determined than ever to keep to the faith By the end of the narrative he has begun a new church where he can pass on the tradition to yet another generation Duin's thorough sympathetic reporting and lively style bring the ecstatic church services she witnessed vividly to life and through interviews and quotations from the principals Facebook postings she has allowed them to express their beliefs and reveal their everyday lives in their own words She also gives the reader an up close view of how a reporter

pursues a story and the various difficulties encountered along the way Together these elements frame a striking picture the young practitioners of a century old custom one so often dismissed as bizarre by outsiders adjusting to the challenges of the new millennium Julia C Duin the former religion editor for the Washington Times has published articles in the Washington Post the Wall Street Journal and other national publications She is the author of five previous books including most recently Days of Fire and Glory The Rise and Fall of a Charismatic Community *The Adventures of François S.
