Marxism and Real Estate Development Julian Roche,2023-09-01 This book straddles two worlds and attempts to bring them together that of Lefebvre s Marxism on the one hand and that of real estate development on the other Lefebvre has now become a household name amongst many contemporary Marxists especially those with an interest in urban planning and certain quarters of the architectural profession however his work is far less well known by real estate professionals whether investors developers brokers or indeed policymakers Marxism and Real Estate Taking Lefebvre Seriously has both a large scope and a very bold aim to use an explication and analysis of the work of Henri Lefebvre not only to present a critique of development but also to draw these two worlds together It therefore first aims to present the arguments of this increasingly well known French Marxist

philosopher sociologist and pioneer of urban studies second to situate contemporary real estate development in the light of Lefebvre s work and third to analyse the potential application of Lefebvre s work to each of the major components of contemporary real estate to use Lefebvre s work in order to recommend practical action for developers working alongside planners and architects to influence the future of global real estate As well as its direction at developers themselves this book should be of interest to economists real estate researchers and professionals planners urban studies scholars and of course to those interested in the application of Lefebvre s work to real estate

Parentology Dalton Conley,2014-03-18 An award winning scientist offers his unorthodox approach to childrearing Parentology is brilliant jaw droppingly funny and full of wisdom bound to change your thinking about parenting and its conventions Amy Chua author of Battle Hymn of the Tiger Mother If you re like many parents you might ask family and friends for advice when faced with important choices about how to raise your kids You might turn to parenting books or simply rely on timeworn religious or cultural traditions But when Dalton Conley a dual doctorate scientist and full blown nerd needed childrearing advice he turned to scientific research to make the big decisions In Parentology Conley hilariously reports the results of those experiments from bribing his kids to do math since studies show conditional cash transfers improved educational and health outcomes for kids to teaching them impulse control by giving them weird names because evidence shows kids with unique names learn not to react when their peers tease them to getting a vasectomy because fewer kids in a family mean smarter kids Conley encourages parents to draw on the latest data to rear children if only because that level of engagement with kids will produce solid and happy ones Ultimately these experiments are very loving and the outcomes are redemptive even when Conley s sassy kids show him the limits of his profession Parentology teaches you everything you need to know about the latest literature on parenting with lessons that go down easy You ll be laughing and learning at the same time

Socio-emotional Skills in Relation to Aggressive and Prosocial Behaviors: From Early Childhood to Adolescence Carmen Belacchi, Eleonora Farina, Paola Molina, Nicoletta Businaro,2022-11-16

Life and Learning of Korean Artists and Craftsmen Dae Joong Kang,2015-04-17 This book brings out the need for lifelong learning theory and explores how it is possible from a postmodern perspective The book uses life history that has gained its popularity in social science research to overcome the dichotomy between individual and society or between agency and structure Life history also reflects the postmodern or late modern conditions of social life In this book the author uses a collection of published oral history narratives of famous Korean artists and craftsmen The author maps out life and learning of five such artists and craftsmen with figurations of escaping creating controlling and formalizing These figurations are images of Rhizoactivity that the author proposes as a new conceptual tool to navigate lifelong learning from a postmodern perspective This book signalises a new way of theory building in the field of adult and lifelong education The Life and Learning of Korean Artists and Craftsmen Rhizoactivity conceptualises Adult learning in terms of postmodern and lifelong learning conditions Life histories as a method of researching lifelong learning

The four facets of artistic journeys escaping creating controlling and formalizing This book will interest researchers focusing on lifelong and adult education Its use of social theories in its study of lifelong learning amongst Korean artists will also interest sociologists and educators concerned with the sociology of education
