Clean of Heart Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins *How to Read the Bible in Changing Times* Mark L. Strauss,2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty first century life in the Western world How do we read God s unchanging Word in a world that is increasingly defined by change How to Read the Bible in Changing Times shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture Rather than seeing the Bible as a magic answer book a list of commands to obey or a series of promises to claim this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life changing It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God his will and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God s will on the many modern issues that the Bible does not directly address *Heavenly Echoes* Horace Waters,1867 **Studying Paul's Letters with the Mind and Heart** Gregory S. MaGee,2018-09-25 This informative survey of Paul s epistles is conversant with the latest scholarship but

written in an engaging style that emphasizes practical application In each chapter Gregory MaGee asks and answers a vital question for understanding Paul s letters while prompting the reader to consider the discussion s personal implications These questions get at the heart of understanding interpreting and living out the Pauline letters Why listen to Paul Were all thirteen letters really written by Paul How does Paul interact with the Old Testament What are some specific interpretive challenges in Paul s letters How can I wisely apply Paul s teachings What are the experts saying about Paul these days What ideas were especially important to Paul Students and other thoughtful Christians wishing to dig deeper into Paul s letters will benefit from this contemporary overview and will be challenged to grow spiritually and apply Paul s teachings and example
