Dictatorship and Daily Life in 20th-Century Europe Lisa Pine, 2022-11-03 Bringing together leading scholars from across the UK North America and mainland Europe this book provides a uniquely comparative exploration of daily life under dictatorship in 20th century Europe With coverage of well known regimes and some that are relatively underrepresented in the literature from right across the continent it examines the impact felt on people s lives amidst political administrations characterised by some or all of the following a one party state in which opposition or multiple parties were banned a cult surrounding the leader the censorship of the press and other publications the widespread use of propaganda and political persuasion and the threat or use of force by the regime and its agents The chapters investigate crucial questions in relation to life under dictatorships as follows What was the impact of censorship on access to news or entertainment How was leisure time conducted What was the impact of the regime on working life What was the scope for dissent and resistance To what extent were these possible How much did the regime coerce the population and how much did it try to indoctrinate What was the difference for Party leaders comrades and members in terms of the possibilities and opportunities that opened up compared to everyone else in society With the shutting down to a large extent of civil society and state intrusion into private life what restrictions were placed on ordinary and day to day activities What happened to religious life and to cultural life and the arts How were personal choices in aspects of life such as reproduction education and even eating affected by these regimes What was the impact of different political ideologies on people s way of life whether Fascist Nazi or Communist Dictatorship and Daily Life in 20th Century Europe addresses these issues and more striking to the heart of European life in the darkest episodes of its recent history *Antiguas boticas españolas y sus recipientes* ,2009 **El exilio vasco** Iker González-Allende, 2016-10-06 Este libro ofrece una panor mica del exilio que padeci el pueblo vasco tras la Guerra Civil El volumen escrito en homenaje al profesor Jos ngel Ascunce Arrieta incluye una entrevista con l y quince colaboraciones de especialistas del mbito nacional e internacional Los ensayos recogen la pluralidad del exilio vasco al cubrir tanto a intelectuales nacionalistas vascos Aguirre Onaind a O atibia Zaitegui Azpiazu el grupo Antzerki Monz n Ametzaga Mart n de Ugalde como a republicanos Ugarte L pez Miarnau Mansilla lvarez Arregui Guilarte Champourcin El o Blanco Aguinaga Mart n Elizondo Imaz Larrea y Olarte Los estudios asimismo abarcan todos los g neros literarios y campos como la filosof a pintura y publicaciones peri dicas Los temas abordados incluyen el recuerdo traum tico de la guerra la nostalgia por la tierra y el mantenimiento del euskera y de las costumbres nacionales la adaptaci n al pa s de acogida y la reflexi n humanista y universal *Fire in the South American Ecosystems* Alessandra Fidelis, Vânia R. Pivello, 2025-07-01 The incidence of anthropogenic fires in South America has increased lately and fire effects on the biodiversity and ecosystem services are of great concern On the other hand natural fires have been present in the continent for thousands of years acting as an evolutionary driver of vegetation and fauna Therefore several ecosystems in South America are fire prone due to their

evolutionary history while those that have not evolved under frequent fires are fire sensitive At the same time as humans increase fire frequency in some environments they try to banish fire from others and such anthropogenic fire regimes have enormous consequences for biota ecosystem services and the environment This book will address the various South American ecosystems that benefit from the presence of fire but also those that are harmed by fire The effects of fire on plant and animal biodiversity of the main South American ecosystems will be presented and discussed considering current trends in climate and land use change bringing understanding about when and how fire should or should not be used to benefit nature and humans Options for fire planning and management will be highlighted especially considering the reduction of wildfire risk and the conservation of biodiversity and natural resources This broad comprehension of the fire issue in South America will support wise decisions by environmental analysts conservation managers and public policy makers **Prentice Hall Spanish Realidades Level 1 Student Edition 2008c** Boyles, Prentice-Hall Staff, 2006-07 REALIDADES is a standards based Spanish curriculum that balances grammar and communication The program offers technology designed to integrate language and culture to teach and motivate all students **Cuba's Gay Revolution** Emily J. Changing Sexualities and Parental Functions in the Twenty-First Century Candida Se Holovko,2018-03-26 Recent societal changes have challenged long established concepts in psychoanalysis including the Oedipus complex parental functions and male and female psychosexuality Postmodern families based on sexual and emotional exchanges independent of gender now include homoerotic couples who adopt children or who create them through assisted fertilisation as well as single parent families and blended families A number of highly renowned Latin American psychoanalysts have drawn attention to the urgency of revising theoretical and clinical concepts in the light of

these new scenarios In this book they open up ideas which cover familiar territory of current concerns in psychoanalytic work as well as other little explored areas with the emphasis on evolving sexualities and new experiences of parenthood The first section revisits psychoanalytic theories particularly parental functions in the area of sexuality and gender The following section discusses new family configurations and vicissitudes of the desire to have a child in men and women with the authors presenting some psychic consequences for parents in therapy who have turned to assisted fertilisation

The Making of Brazil's Black Mecca Scott Ickes, Bernd Reiter, 2018-10-01 One of the few interdisciplinary volumes on Bahia available The Making of Brazil's Black Mecca Bahia Reconsidered contains contributions covering a wide chronological and topical range by scholars whose work has made important contributions to the field of Bahian studies over the last two decades The authors interrogate and problematize the idea of Bahia as a Black Mecca or a haven where Brazilians of African descent can embrace their cultural and spiritual African heritage without fear of discrimination In the first section leading historians create a century long historical narrative of the emergence of these discourses their limitations and their inability to effect meaningful structural change The chapters by social scientists in the second section present critical reflections and insights some provocative on deficiencies and problematic biases built into current research paradigms on blackness in Bahia As a whole the text provides a series of insights into the ways that inequality has been structured in Bahia since the final days of slavery

Migrant Communication Enterprises Maria Sabaté-Dalmau, 2014-08-06 This unique critical sociolinguistic ethnography explores alternative migrant regulated institutions of resistance and subversive communication technology the locutorios or ethnic call shops These migrant owned businesses act as a window into their multimodal and hybrid linguistic and communicative practices and into their own linguistic hierarchies and non mainstream sociolinguistic orders Here socially displaced but technologically empowered transnational migrant populations actively find subversive ways to access information and communication technologies As such they mobilise their own resources to successfully inhabit Catalonia at the margins of powerful institutions The book also focuses on the internal social organisation dynamics as well as on the simultaneous fight against and re production of practices and processes of social difference and social inequality among migrants themselves
