When Three Hearts Align Dwayne New,Terry New,2024-03-28 Many couples grapple with the divine institution of

marriage trying to understand its value and meaning for which a blueprint was not handed. Often couples enter marriage ill equipped to handle the issues of life in a pressure cooked world. Consequently when challenges arise many spouses say fix her or fix him or may simply choose to walk away from the marriage only to get involved with another person and start the vicious cycle again. On the other hand for those couples who opt to remain in their marriage they may simply just endure the relationship without ever learning the essential precepts to thrive as a team. So what is this thing called marriage. In this life changing book *When Three Hearts Align* the authors believe marriage is a divine institution created by God whereby a man and a woman choose to enter a covenant relationship with each other and have made an unconditional lifetime commitment to God to stay with and become one with an imperfect person. You might ask How does one do that. The authors state Marriage is a mystical union. It is not easily understood without the willingness to know and understand the Creator of marriage. Furthermore the authors give invaluable insight and relatable stories that will empower couples give them hope and give them the courage to fight for their marriage. The authors seek to help couples realize that the divine institution of marriage is not the issue. We are merely imperfect people who enter the institution of marriage and need to be equipped with the necessary tools to have a successful marriage. Admittedly this book will challenge our thoughts attitudes and beliefs about how we see ourselves our spouse and the significant role we have in the success or failure of our marriage and even other friendships. Think about this wherever you go there you are. If you are ready to transform your life and marriage get ready to embrace this journey of self awareness self correction and unconditional love while seeing the value of cultivating and maintaining a servant's heart toward God and toward each other. This book *When Three Hearts Align* will unlock and reveal the mystical union of marriage.
