

JFK vs. Nixon DBQ

The United States presidential election of 1960 was the 34th American presidential election, held on November 3, 1960, for the term beginning January 20, 1961. The incumbent president, Republican Dwight D. Eisenhower, was not eligible to run again so there would be a new candidate from each party. The Republican Party nominated Richard Nixon, Eisenhower's Vice-President, while the Democrats nominated John F. Kennedy, a Senator from Massachusetts. At the time of the election, there was a bit of a recession, so the incumbent party, the Republicans were already at a slight disadvantage to begin.

Nixon was considered an early favorite due to the fact that he had much more experience in politics. He was thought to be steady, dependable, and tough. John F. Kennedy was thought of as new president for a new age. He was young and very charismatic but thought by many to be too inexperienced.

Both candidates knew the election would be a close one. In this DBQ, you will analyze some primary and secondary sources to determine your answer to the question:

If you were voting in the 1960 presidential election, who would you vote for and why?

Instructions:

Part 1: Read the five documents.

Part 2: Fill out a document analysis sheet for each document to the best of your ability. Also answer the guiding questions for each document.

Part 3: When you are done, use the documents to write an essay answering the question If you were voting in the 1960 presidential election, who would you vote for and why?

*Your final assignment you hand to me should include an essay, 5 document analysis worksheets, and one essay pre-planning sheet (a thinking map). (Outline, bullet points, etc.)

Sample essay outline:

Introduction Paragraph: State your claim with a few key points you'll get to later.

Second Paragraph: One of your main points supporting your answer. Make sure to refer to the documents. Use them to your advantage. Think of it like a detective using evidence to solve a crime. "According to Document B..."

Third Paragraph: One of your main points supporting your answer. Make sure to refer to the documents. Use them to your advantage. Think of it like a detective using evidence to solve a crime. "According to Document B..."

Fourth Paragraph: One of your main points supporting your answer. Make sure to refer to the documents. Use them to your advantage. Think of it like a detective using evidence to solve a crime. "According to Document B..." OR use this paragraph to explain why the other side is wrong.

Fifth Paragraph: Conclusion. Restate your claim and key points.
