Douglas,2012-12-06 Performance Improvement through Information Management highlights performance improvement and business strategies throughout various health care settings focusing on business drivers and management mechanisms explaining when how and why information technology solutions are of value Structured on three levels Market Environment Transformational Processes and Enabling Technologies the text describes the current state of the art of health care and the shape of things to come and provides practical solutions and strategies for implementing applications of technology within the current context of health care and its transformation This text will be an invaluable reference to the chief executive officers chief information officers senior executives and board members who are shaping health care today and into the 21st century Likewise it will appeal to healthcare administrators and managers healthcare systems specialists and students in advanced healthcare professional and academic programs *The Peacekeeping Economy* Lloyd J. Dumas,2011-01-01 The idea that military strength is virtually synonymous with security is deeply entrenched and widely held But while the threat or use of military force may sometimes be necessary it cannot keep us as safe as we would be by building relationships that replace hostility with a sense of mutual purpose and mutual gain Economic relationships says Lloyd J Dumas can offer a far more effective

and far less costly means of maintaining security After defining the right kind of economic relationship one that is balanced and nonexploitative emphasizes development and minimizes environmental damage Dumas then addresses some practical concerns in establishing and maintaining these relationships He also considers the practical problems of the transition from military based security arrangements to economic peacekeeping and the effects of demilitarized security on economic development and prosperity

Mortality and Faith David Horowitz,2019-05-21 *Mortality and Faith* is the second half of an autobiography of David Horowitz whose first installment *Radical Son* was published more than twenty years ago It completes the account of his life from where the first book left off to his seventy eighth year In contrast to *Radical Son* whose focus was his political odyssey *Mortality and Faith* was conceived as a meditation on age and on our common progress towards an end which is both final and opaque These primal facts affect all we see and do and force us to answer the questions as to why we are here and where we are going with conjectures that can only be taken on faith Consequently an equally important theme of this work is its exploration of the beliefs we embrace to answer these questions and how the answers impact our lives
