Personal Evangelism Knowing God And Making Him Known:

Making God Known Nico Van Zyl, 2019-10-09 Making God known is a privilege and responsibility for those who know God It would be impossible to make God known if you don't know Him In this book I lay out the foundations for making God known or what we call evangelism This book is about knowing the character of God in what we call the moral law and making known the good news of God through Jesus Christ We find out who we are when we know God and when we know God redemptively we become equipped to make Him known Beholding Him, Becoming Missional Laura Krokos, 2010-10-18 Beholding Him Becoming Missional Awakening to the Mission Through the Study of First Samuel will offer women the opportunity to walk away with minds and hearts that have been transformed through an intimate relationship with the King and lives uniquely reflecting the King's heart and mission for the world Having a come alongside and let's do life together flavor and feel Beholding Him Becoming Missional is written in a relational authentic and relevant way Laura Krokos shares victories defeats successes and embarrassments which coincide with 1 Samuel as it is packed full of stories of utter failures redemption victory and partnering with others to live out God's very heart Beholding Him Becoming Missional is set up in two sections The first six chapters pull the reader into a more authentic and intimate relationship with God The second six chapters move the reader to the point of action of living on purpose for the glory of God reflecting His heart for the world

Discipleship and Evangelism Corporate Spirituality Encouragement Accountability and Worship *Ongoing Personal Evangelism* John P. Davis, 2021-08-03 *Ongoing Personal Evangelism* provides a biblical survey of personal evangelism and discusses the factors evident in the lives of those who practice personal evangelism throughout their life. Hopefully the book will encourage more spiritual growth and involvement in personal evangelism as well as providing material for training others in personal evangelism **Knowing God the Father Through the Old Testament** Christopher J. H.

Wright, 2025-11-04 It is almost second nature for Christians to call God Father. Jesus taught his followers as much although for them it was apparently a surprising practice. The worshiping community of the Old Testament used fatherly images for understanding God's character and actions but Father was not a common way for believers to address God. In *Knowing God the Father Through the Old Testament* Christopher Wright explores in depth the images that pervade the biblical narratives, psalms and prophetic texts of the Old Testament. God is acknowledged as tender yet terrifying, challenging to the nations and yet intimately personal, offering loving care, provision, discipline and forgiveness. This is the God whom Jesus knew and whom we can know as Father. Such knowledge of God is far from merely devotional or doctrinal but governs our worldview, personal and social ethics and expectations of the future *NKJV, The New Spirit-Filled Life Bible for Women* Thomas

Nelson, 2007-11-04 The Word of God is a love letter from the heart of our heavenly Father. It is unequalled in its ability to comfort, to counsel, to challenge, to exhort and to change lives. *The New Spirit Filled Life Bible for Women* beautifully presents the rich and timeless truths of God's living Word with wisdom from more than 100 of the most respected women in the body of Christ. These beloved authors, speakers and ministry leaders have come together to help you understand and apply the Scriptures to your life as you discover God's promises and fulfill His holy purpose for you by the power of the Holy Spirit.

Challenging Reflections on the Christian Life J.L. Moore, 2011-04-25 When is the last time you were discouraged in your relationship with God? Were distracted by a crying infant during a church service? Shared the gospel with an unbeliever? Heard someone say they rededicated their life to Christ? Heard an intense conversation about sports among Christian men? Were equipped by your pastor to present and defend the gospel? If your experience is similar to most Christians, you have probably never spent much time reflecting on the issues above as they pertain to the seriousness of the Christian life. *Challenging Reflections on the Christian Life* covers topics that include raising children in the church, evangelism, apologetics, men and sports, the concept of rededication, the pastor's primary responsibility, infants in the sanctuary, knowing God and much more. This book is designed to encourage you to give deep contemplation to the all too common experiences encountered in the Christian life and lead you to an awakened sense of reverence for God and passion for the truth. Whether you are a new Christian or a seasoned pastor, this book will cause you to rethink much of what you see in your life and in your church. This book is inspiring, encouraging and challenging. The author carefully and faithfully handles the Scriptures and applies them to our lives. Every Christian will profit from reading this book. Dr. Norman Geisler, Professor of Apologetics.

The Making of a Personal Evangelist: Winning the World for Christ - One By One

Christopher Shennan, 2014-03 The Making of a Personal Evangelist as the title suggests is more about becoming an evangelist than it is about the method employed Jesus told us that if we follow Him He will make us to become fishers of men He would transform us into evangelists The Making of a Personal Evangelist is a course that lays out the life principles that if followed will transform men and women into evangelists even before they adopt a method The method subsequently just becomes the tool to get the job done This is not a book for the casual student Both teacher and student need to be serious about reaching the lost and about submitting to the process of becoming what they may not initially feel qualified to be It is about allowing Jesus Christ to make them into fishers of men For those who are willing to accept the challenge this book will doubtless be of inestimable value Personal Evangelism and Discipleship 122762, Bob Jones Press Staff, 1999 Relevant Bible doctrines establish practical methods for evangelism and basic discipleship The material integrates activities in soulwinning and discipleship and incorporates material by Steve Hankins Witnessing for Christ and Jim Berg Basics for Believers Includes Basics for Believers Grades 9-12 The World at Your Door Tom Phillips, Bob Norsworthy, 1997 Each year more than half a million international students enroll in American universities These students represent the coming generation of world leaders Yet few are ever welcomed into an American home and even fewer ever attend a church Basic Theology Dag Heward-Mills, 2011

The Death of

Metaphysics; The Death of Culture Mark J. Cherry, 2006-08-05 The Latin root of the English word culture ties together both worship and the tilling of the soil In each case the focus is the same a rightly directed culture produces either a bountiful harvest or falls short of the mark materially or spiritually This volume critically explores the nature and depth of our contemporary cultural crisis its lack of traditional orientation and moral understanding Prime among the issues at stake are the meaning and significance of birth copulation suffering and death expressed in debates regarding human embryo experimentation and stem cell research the character of moral and scientific norms as well as more fundamentally the character of an adequate epistemology for coming to appreciate the deep nature of reality and its normative implications Given varying background ontological epistemological and axiological presuppositions different moral positions and political objections will appear as not merely morally permissible but as socially and politically obligatory
