Lim Swee Say, Former Minister for Manpower, in showing empathy for employees' needs, it must also be deliberate and purposeful to steer employee behaviours and incisive to exact a return for the organisation. Installing a new benefit is easy; unwinding one is less straightforward. Are benefits being appreciated? What are the potential abuses? Are there better and more cost-effective solutions? Are flexible benefits or the clean wage system the way to go? These will be discussed to help readers gain insights into the realm of employee benefits.
