Means,2014-12-08 Reading this book will help one to understand that although this is a book of fiction there is some truth to the overall story This book follows a young man who is the eleventh of thirteen kids through some of the trials and tribulations of growing up in a housing project He is searching for his niche in life that will make him fit in with what he feels is society He joins the U S Army and barely makes it out alive after nearly three years After discharging from the army he settles back into civilian life working hard and peddling drugs **Life in a Georgia Town** Sean Ross,2012-12-14 My name is Sean Peyton Ross I write this book for present and future generations to read while I still have enough mental capacity and memory to write it before my injury depletes me I was basically a late term miscarriage born by c section at 6 and 3 4 months old 5 times I should have died I am and always have lived on borrowed time I was kept alive in an incubator by the doctors until I weighed enough and developed enough to survive outside the incubator I was always a sickly child and was small The

other kids beat up and bullied on me All my life through school where I excelled in academics I was beaten up and bullied on I was put down by the kids who wanted to be bad and the rich kids who thought they were the last word in society I was bullied in the Navy In college at work and in the State Defense Force where I spoke up for the troops and inadvertently caused 3 generals to be fi red after a mission of mercy from a tornado in my hometown started going awry I had to leave the State Defense Force under duress from the Commanding General I now have been black listed and no one remembers the good I tried to do while in uniform I now live in fear for my family and myself This book is to serve as a journal and as a warning of how diffi cult cruel and ugly life can be sometimes It also serves as a guide to those who read this book so that the readers will be able to learn from what I have written It will inspire those who read it to try harder to improve themselves and the world they now live in The world cannot advance as a people socially if we only dwell on the triumphs of yesterday do not know of or take heed of the sins and mistakes of the past
