

Monkeyin' Around

Emma loved monkeys. She had a stuffed monkey she liked to sleep with at night. Whenever she was acting goofy, her father would tease her by saying that she was "monkeyin' around."

One day a bunch of kids were playing at recess. They were pretending to be different animals that they had learned about in class. Sasha wanted to be a zebra, Keelin wanted to be a lion and Emma wanted to be a baboon! As all the kids were discussing, Emma said that if they pretended to be baboons, they would really be monkeys because baboons are part of the monkey family. She said they could call their play time, "monkeyin' around." All the kids thought that was very clever.

The group began to think about what they'd learned as they played. The biggest kids were the male baboons, because they'd learned in class that males are twice as big as females. The baby baboons were called infants and were learning tricks from their mothers. There were also a few children that were lions and hyenas. The kids pretending to be baboons had to run away from the lions and hyenas. They were predators that wanted to eat the baboons for lunch! Monkeyin' around at recess was so much fun!
