English Hermit 1727 Robert Paltock s Peter Wilkins 1751 and The Female American 1767 by an anonymous author The book shows that by rewriting the myths of the New Adam the Androgyne and the Amazon respectively these novels went beyond though not completely counter to the politics of conquest and mastery that are typically associated with the Robinsonade It argues that even if these narratives could still be read as colonial fantasies they opened a space for more consistent

rejections of the imperial agenda in contemporary castaway fiction **A Thoroughly Mischievous Person** Alan Kennedy,2021-09-30 First published in 1930 Swallows and Amazons secured Arthur Ransome s reputation as one of the most influential children s authors of all time yet prior to writing fiction he had had a turbulent career as a journalist and war correspondent in revolutionary Russia In this refreshing account of Ransome s work Alan Kennedy sets out to explain his enduring appeal combining literary criticism with psychological expertise Not only did Ransome apply a careful narrative theory to his works his use of symbolism aligning them more with the modernist tradition than with the event driven children s literature of contemporaries such as Richmal Crompton and Enid Blyton but his novels are also more than usually autobiographical This Kennedy ably demonstrates with reference to three particular challenges Ransome faced in a seriously conflicted life his father s untimely death his abandonment of his infant daughter in order to escape his catastrophic first marriage and the innumerable compromises that kept him alive during his Russian exile A Thoroughly Mischievous Person The Other Arthur Ransome is the first study to tackle this matter systematically giving casual and scholarly readers alike new insights into this fascinating figure **Searcher** ,2002 **Youth's Companion** ,1900 **Once Upon a Time in a Dark**
