

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never drink alcohol or use drugs while wearing your headset. Doing this may cause the headset to operate incorrectly or become inoperable. It may also distract you and cause an accident.
- Keep your device and accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
 - Avoid exposing your device to any extreme temperature (between 0°C and 40°C or above 32°F and 104°F). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
 - Do not allow your device to get wet or damaged. Water can cause serious damage. Do not handle your device with wet hands. Water damage to your device can reduce or eliminate warranty support.
 - Avoid using your device's light close to the eyes of children or animals.
 - Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and increase the risk of electric shock.
 - Excessive exposure to heat or smoke can cause hearing damage. Excessive heat or smoke while driving may distract your attention and cause an accident. Use only the headset when not driving or when using it safely.

Getting started

Your headset overview

Make sure you have the following items: Headset, charging cable, earbuds, ear hooks, and user manual. The specifications may vary.

Button functions

Button	Function
	• Press and hold to turn the headset on or off.
	• Press and hold for 3 seconds to answer incoming calls. • Press and hold to answer incoming calls. • Press and hold to reject an incoming call. • Press and hold to end a call. • Press and hold to end a call.
	• Press to adjust the volume. • Press and hold to quickly increase/decrease or on/off during a call.

Turning the headset on or off

To turn the headset on

Slide the Power switch on. The blue indicator light flashes 4 times.

Turning the headset on for the first time, it will automatically enter pairing mode for approx. 3 minutes.

To turn the headset off

Slide the Power switch off. The indicator light flashes blue and red three times off.

Charging the headset

This headset has a rechargeable internal battery which is non-removable. Make sure the headset is fully charged before using it for the first time.

The only Samsung-approved chargers, connect the headset to them. Using any other chargers could cause damage to the headset or to sensitive information on equipment. It could also void the warranty on the product.

1. Connect the travel adapter to the charging socket on the headset.
2. Plug the headset adapter in a power outlet. Charging the headset lights will turn on.
3. When the headset is fully charged, the indicator light changes color. Using the headset adapter from the headset will charge the headset.

- Repeatedly charging and discharging of the headset over time will cause the battery performance to deteriorate. This is normal for all rechargeable batteries.
- Never make or receive calls while charging. Doing so disconnects your headset from the charger and wastes the call.

Charging the headset battery

To check the battery level, press and hold the Volume down button and the Talk button at the same time. Depending on the battery level, the indicator light flashes in one of the following colors.

Battery level	Indicator light color

Below 20%	Red

Activating the headset light

The headset indicator light turns on and you can hear beeps. If the headset powers off during a call, the call will be automatically transferred to the phone.

Wearing the headset

Depending on which ear you are going to wear the headset, simply adjust the ear hook and angle.

If you are using the optional earbuds instead of the ear hook, adjust the earbuds over your ear and adjust the earbuds. Then, adjust the earbuds left or right slightly depending on which ear you are going to wear the headset.

Turning the indicator light on or off

The headset status light is there for show you the current status of your headset. But it's not always on. To turn it on or off, you can do the following.

- Press and hold the indicator light on/off while in pairing mode.
- The indicator light will always turn on when the headset is turned on or off when a call is received. Call history records will show the headset is on or off.

Using your headset

- Activated functions and features may differ depending on the phone type.
- Some devices, especially those that are not certified or approved by the Bluetooth Special Interest Group (SIG), may be incompatible with your headset.

To ensure you get the best performance from your headset

- Keep the distance between your headset and device as small as possible and avoid placing your body or other objects in the signal path.
- If your headset and your mobile phone with your right hand, wear the headset on your right ear.
- Keeping your headset in device could affect its performance or keep contact to a wrong phone.

Pairing and connecting the headset

Pairing means unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other.

Pairing mode

1. Enter pairing mode. (The blue indicator light starts to blink for 3 minutes.) Press and hold the Talk button for 3 seconds.
2. Activate the Bluetooth feature on your phone and search for the headset (see your phone's user manual).
3. Select the headset in the list of devices to connect to your phone.
4. If prompted, enter the Bluetooth PIN code of your phone and connect the headset to your phone.
5. Once pairing is completed, the headset will attempt to reconnect with the phone you connect.

Pairing your headset with a phone

With the Active pairing feature, your headset automatically looks for a Bluetooth device within range and tries to make a connection with it.

- In pairing mode, press and hold the Talk button on the headset. The indicator light will change to blue when it is in pairing mode. The headset will attempt to connect with the phone you connect.
- The Bluetooth phone you want to connect with must not be paired with other devices. If the phone is already connected to another device, end the connection and restart the Active pairing feature.
- This feature may not be supported on some devices.

Connecting with two Bluetooth phones

With the Multipoint feature activated, your headset can be connected to 2 Bluetooth phones at the same time.

- To turn Multipoint feature on**
 - Press and hold the Talk button for 3 seconds.
 - The headset status light will turn on.
- To turn Multipoint feature off**
 - Press and hold the Talk button for 3 seconds.
 - The headset status light will turn off.

1. After connecting with the first Bluetooth phone, enter pairing mode again.
2. To turn the Bluetooth feature on the second Bluetooth phone and search for the headset (see your phone's user manual).
3. Select the headset in the list of devices found by the second Bluetooth phone.

4. If prompted, enter the Bluetooth PIN code to connect the headset to the second Bluetooth phone.
5. Disconnect the headset from the first Bluetooth phone.
- Screen phones may not be able to connect to a second Bluetooth phone.

Connecting the headset to a device

You can also pair and connect your headset with a device (such as an MP3 player). The process of connecting to a device is similar to the process of connecting with a phone. When connected to both devices, phones and music players you can make an incoming call on the phone while listening to music from the music device.

You cannot control playback & using your headset.

Samsung Hm1900 Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Samsung Hm1900 Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Samsung Hm1900 Manual has opened up a world of possibilities. Downloading Samsung Hm1900 Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Samsung Hm1900 Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Samsung Hm1900 Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Samsung Hm1900 Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Samsung Hm1900 Manual, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Samsung Hm1900 Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
