Mises: The Last Knight of Liberalism Jörg Guido Hülsmann, 2007 **The Idea of Socialism** Axel

Honneth, 2016-12-27 The idea of socialism has given normative grounding and orientation to the outrage over capitalism for more than 150 years and yet today it seems to have lost much of its appeal. Despite growing discontent many would hesitate to invoke socialism when it comes to envisioning life beyond capitalism. How can we explain the rapid decline of this once powerful idea? And what must we do to renew it for the twenty first century? In this lucid political philosophical essay Axel Honneth argues that the idea of socialism has lost its luster because its theoretical assumptions stem from the industrial era and are no longer convincing in our contemporary post industrial societies. Only if we manage to replace these assumptions with a concept of history and society that corresponds to our current experiences will we be able to restore confidence in a project whose fundamental idea remains as relevant today as it was a century ago: the idea of an economy that realizes freedom in solidarity. **The Idea of Socialism** was awarded the Bruno Kreisky Prize for the Political Book of 2015. [Decision Advantage](#) Jennifer E. Sims, 2022-08-02 In [Decision Advantage](#) Jennifer E. Sims examines the role of intelligence in international conflict throughout history to show that intelligence has been a measurable, buildable and consequential form of power over centuries. Diving deep into the history of the 16th Century's Spanish Armada, two Civil War battles, the hunt for President Lincoln's assassin and key diplomatic crises before the two World Wars, Sims develops insights into how competitors have created and used intelligence power to their advantage, including winning against otherwise stronger opponents. **The Buddha** Philip C. Almond, 2023-11-30 Alongside Jesus and Muhammad, the Buddha is the most significant figure in the history of religion. Philip Almond's engaging new book is the first to combine a history of early traditions about Siddhartha Gautama's life with an authoritative account of how he and the tantalizing philosophy inspired by him came to the attention of the West. It takes the reader on a remarkable journey encompassing, among other topics, Alexander the Great, the courts of the Mongol Khans, Jesuit missions to China and Japan, and intrepid European travellers and scholars from the modern era. Melding Pali and Sanskrit sources with vivid reception, Almond presents the Buddha's story as a multi-layered one of transition from a world of angels and demons, water and tree spirits to an altogether different context where Buddhism mixed with the cultural preoccupations of those who tentatively, sometimes following false trails, tried to make sense of its fascinating complexity. **Bibliophobia** Brian Cummings, 2022 Richly illustrated with manuscripts, printed objects and art works, **Bibliophobia** tells a 5000 year history of writing and of books to give readers a fascinating account of why books matter and how they impact on our lives. **Money Games** Weijian Shan, 2023-02-22 **Money Games** is a riveting tale of one of the most successful buyout deals ever: the acquisition and turnaround of what used to be Korea's largest bank by the American firm Newbridge Capital. Full of intrigue and suspense, this insider's account is told by the chief architect of the deal itself: the celebrated author and private equity investor Weijian Shan. With billions of dollars at stake and the nation's

economic future on the line Newbridge Capital sought to become the first foreign firm in history to take control of one of Korea's most beloved financial institutions In a proud country still reeling from a humiliating International Monetary Fund bailout in the Asian Financial Crisis Newbridge Capital had to muster every ounce of skill determination and patience to bring the deal to closing Shan takes readers inside the battle to win control of the bank a delicate often exasperating process that meant balancing the goals of Newbridge with those of the government bank employees and Korea's powerful industrial titans Finally the author describes how Newbridge transformed and rebuilt the struggling bank into a shining example of modern banking as well as a massively profitable investment In the secret world of private equity few buyouts have been written about with such clarity detail and insight and none with such completeness covering not only the dealmaking but also the transformation and eventual exit of the investment For anyone who has ever wondered how private equity investors strike bargains turn around businesses and create immense value or anyone interested in a captivating story of high stakes money making this book is a must read

only a couple of levels down from the ringleader Roberto Rojo Rodriguez when Mari posted a picture of him with their son Brody on social media identifying him as her husband He barely made it out alive the day he and his family were ambushed in a drive by ordered by Rojo to take him out With his cover blown and Brody now motherless he retired from the DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait As a parting gift the agency created a new identity for him using only his middle and last name In exchange for the anonymity Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas that is With limited resources keeping the DEA and local law enforcement from having someone in Heart s Destiny Texas actively looking for the cartel kingpin Ian moved there with his family to capture the man responsible for his wife s death Charlotte Burleson didn t know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent She only knew him as a one night stand she thought she d never see again and the most infuriating man she d ever met After the most intense sexual experience of her life Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round Two weeks later he showed up at her family s late Christmas celebration and acted as if they d never met He continued the charade of not knowing her when he started working in the classroom next door to hers at the beginning of January Ian wasn t sure how to deal with finding out the hot as hell one night stand he had on the night he interviewed for his new job was with the sister of a man he d worked with on a joint task force a few years back and considered a friend He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there Not to mention the fact that he couldn t tell his friend Jake that he d slept with his sister So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration Ian pretended he d never met Jake or Charlotte When he started work and realized he was supposed to coordinate the seventh grade lesson plans with her Ian couldn t resist pushing her buttons to get a glimpse of the fiery passion he d seen on their one night together But even as hot as his time with Charlotte was he couldn t risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari As danger loomed the couple fought their instant attraction and growing connection not realizing that standing together was the only way they could win in the end
