The Blueprint of God's Perfect Plan Nickie Glenn C Romo,2014-02-20 For the plan of salvation was not conceived after the fall of man but it was that which was kept in silence through times eternal but now is manifested and made known unto all the nations Romans 16 25 26 R V TMK 366 3 The Blueprint of God s Perfect Plan explains how the government of God began in heaven the law being the foundation of His throne It tells of the fall of Lucifer the highest ranking angel who chose to rebel against the government of God and was banished from heaven to become Satan the Adversary of God The government of God not only includes angels but all creatures from other worlds The plan of salvation was formulated by God to meet this terrible emergency and He was ready to face this problem even before humans existed God in His justice with Satan let Adam and Eve be tempted and fallen thus the history of fallen humanity began Without God s interposition all might have been lost forever without the sacrifice of His Son Jesus Christ The great controversy between Christ and Satan was manifested in the history of the Jews and how this favored people of God rejected Jesus as the messiah In this battle between good and evil the character of God will be vindicated This terrible experiment of rebellion will have an end Christ assured us that He will come again a second time to claim His people and a new age will commence free from sin All will shout for joy for the plan of salvation will have been accomplished and God will have won the battle

God is Not Black-and-White Robert Snitko,2017-12-25 There are many differing theological perspectives in the church today The church is often too quick to tell people they are wrong theologically rather than pursuing a conversation that allows the body of Christ to wrestle with various theological assumptions In *God is Not Black and White* Robert Snitko seeks to disrupt the disunity within a diverse church In a very theological yet practical way this book roots itself in the Apostle s Creed as the foundation for Christianity noting that Christians as a whole ought to agree on the gospel of Christ the Trinity and the incarnation as primary doctrines When it comes to secondary doctrinal issues church history proves that individuals have come to various theological conclusions Perhaps one s theological interpretation comes from presuppositions such as upbringing cultural context life circumstances or even experience Whatever the case may be we need to put an end to division in the church as we seek unity within a theologically diverse church This book urges Christians to have a theological conversation that pursues unity as we seek to love one another in the gospel through restoration healing and reconciliation
