The diagram shows a semi-circular cross-section of a structure. At the top, there are two rectangular boxes representing different materials or layers. The left box is labeled "Concrete" and the right box is labeled "Steel". Below these boxes, a vertical line indicates a central axis or support. The main body of the structure is a thick, curved layer, possibly representing a concrete lining or a steel shell. Inside this outer layer, there is a smaller, concentric curved line, suggesting an internal reinforcement or a secondary layer. The entire structure is supported by a base, which is represented by a horizontal line at the bottom.
