

The background of the cover features a close-up, shallow depth-of-field photograph of optical glass components. In the foreground, a large, circular lens cap or lens element is slightly out of focus. Behind it, another lens element is more sharply defined, showing its curved surface and a central hole. The lighting creates soft highlights and shadows on the glass surfaces, emphasizing their smooth texture and optical quality. The overall color palette is a mix of light and dark grays, with some highlights from the glass surfaces.
