

The background of the cover features a close-up, shallow depth-of-field photograph of optical glass components. In the foreground, a large, clear glass lens is partially visible, with its circular edge and a thin rim in sharp focus. Behind it, another lens is visible but blurred. To the right, a lens cap lies flat, also out of focus. The lighting is soft, creating subtle reflections and highlights on the glass surfaces, giving the image a clean, scientific, and high-tech appearance.
