Writing and Understanding Poetry for Teachers and Students Suzanne

Keyworth, Cassandra Robison, 2015-02-19. Grounded in craft, this book was composed on three premises: That the study and modeling of great poems is integral to understanding poetry; and learning to write poems that scaffolded learning builds a writer's and a reader's confidence and knowledge base; and increases learning; and that teachers and facilitators of poetry can and should build learning environments we call our hearts in a safe place. Each chapter contains an introduction to a main focus, new terms, a model poem, an explication, short prompts, heuristic to each chapter's focus, and a model exercise. Student poem samples are included in each chapter. The last chapter discusses syllabi, portfolios, and alternate grading. A Heart's Craft differs from other poetry how-to books because it combines art with pedagogy in a unique and effective fashion.
