How to Read (and Write About) Poetry - Second Edition Susan Holbrook, 2021-10-08 How to Read and Write About Poetry invites students and others curious about poetry to join the critical conversation about a genre many find a little mystifying even intimidating In an accessible engaging manner this book introduces the productive questions reading strategies literary terms and secondary research tips that will empower readers to participate in literary analysis Holbrook explicates a number of poems initiating readers into critical discourse while highlighting key poetic terms The explications are followed by selections of related works so the book thus offers what amounts to a brief anthology ideal for a poetry unit or introductory class on poetry and poetics A chapter on meter illuminates the rhythmic dimension of poetry and guides readers through methods of scansion The second edition is updated throughout and includes a fresh selection of poems and the latest MLA citation guidance *Early American Poetry ... poetry anthology claims nothing except staying true to itself love and poetry This second edition of FOR LOVE AND POETRY not only revisits the first edition which was published in 2012 but it also offers new compositions to complete the author s body of work in the last twenty years First Printing ISBN 978 0 9574658 4 8 Published 2021 Copyright c 2012 2021 Kristian Jeff Cortez Agustin **Choice Notes on the Gospel of S.
