The Executioner's Men George W. Grayson, 2017-09-08 Los Zetas represent a new generation of ruthless sadistic pragmatists in Mexico and Central America who are impelling a tectonic shift among drug trafficking organizations in the Americas Mexico's marines have taken down the cartel's top leaders nevertheless these capos and their desperados have forever altered how criminal business is conducted in the Western Hemisphere This narrative brings an unprecedented level of detail in describing how Los Zetas became Mexico's most diabolical criminal organization before suffering severe losses In their heyday Los Zetas controlled networks of American police politicians judges and businessmen The Mexican government is losing its war on drugs despite the military technical and intelligence resources provided by its northern neighbor Subcontracted street gangs operate in hundreds of US cities purchasing weapons delivering product executing targeted foes and bribing the US Border Patrol Despite crippling losses Los Zetas still dominate Nuevo Laredo the major portal for legal and illegal bilateral commerce They also work hand in glove with the underworld in Guatemala El Salvador and Honduras as well as with gangs like the Maras Salvatruchas

ISIS Beyond the Spectacle Mehdi Semati, Piotr M. Szpunar, Robert Alan Brookey, 2020-04-02 What is ISIS A quasi state A terrorist group A movement An ideology As ISIS has transformed and mutated gained and lost territory horrified the world and been its punch line media have been central to understanding it The changing yet constant relationship between ISIS and the media as well as its adversaries dependency on media to make sense of ISIS is central to this book More than just the images of mutilated bodies that garnered ISIS its initial infamy the book considers an ISIS media world that includes infographics administrative reports and various depictions of a post racial utopia in which justice is swift and candy is bought and sold with its own currency The book reveals that the efforts of ISIS and its adversaries to communicate and make sense of this world share modes of visual aesthetic and journalistic practice and expression The short tumultuous history of ISIS does not allow for a single approach to understanding its relation to media Thus the book's contributions are to be read as contrapuntal analyses that productively connect and disconnect providing a much needed complex account of the ISIS media relationship This book was originally published as a special issue of *Critical Studies in Media Communication*
