ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription David P. Swain, ACSM, Clinton A. Brawner, 2012-12-26 ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription was created as a complement to ACSM's Guidelines for Exercise Testing and Prescription and elaborates on all major aspects of preventative rehabilitation and fitness programs and the major position stands of the ACSM. The 7th edition provides information necessary to address the knowledge, skills, and abilities set forth in the new edition of Guidelines and explains the science behind the exercise testing and prescription. ACSM's Resource Manual is a comprehensive resource for those working in the fitness and clinical exercise fields as well as those in academic training.

[Psychologist's Guide to Adolescents and Social Media](#) Pierre Court, 2021-09-23 The internet has become a principal venue for social interaction. Young people are growing up in a world surrounded by technology that could have only been imagined a generation ago. Social media have crafted a landscape that has made connection with others easy. Yet this rise has become a concern. So what is happening here? Why is it so compelling to use social media? Why is it difficult to quit social media? What impact can social media have on teenagers' education and their well-being? Should we be worried? What can be done to help? *Psychologist's Guide to Adolescents and Social Media* aims to deliver a deeper understanding regarding the psychology of social media, both positive and negative. This guide is divided into four parts. The reader will be guided through the purposes and merits of social media, the unintended consequences of using social media, author-conducted research exploring the experiences of adolescent-aged school children, and what can be done to help those struggling with the overuse of social media, including assessment resources. Examines the consequences of using social media, including cyberbullying and internet addiction. Explores what can be done to help those who need support with their social media use. Features relevant real-life examples and interviews with adolescents.
