The Charley Davidson Series, Books 4-6 Darynda Jones, 2015-04-14 Darynda Jones has garnered a strong following with her series starring Grim Reaper Charley Davidson. Here together for the first time in a stunning eBook bundle are the fourth, fifth, and sixth novels in the New York Times bestselling paranormal series. *Fourth Grave Beneath My Feet* Since Charley's last case went so awry, she has taken a couple of months off to wallow in self-pity. But when a woman shows up on her doorstep convinced someone is trying to kill her, Charley has to force herself to rise above or at least get dressed. In the meantime, the sexy, sultry son of Satan, Reyes Farrow, is out of prison and out of Charley's life. But she's having a hard time staying away. Just when life was returning to normal, Charley is thrust back into the world of crime, punishment, and the devil in blue jeans. *Fifth Grave Past the Light* Things get complicated for Charley when Reyes Farrow moves in next door and then becomes her main suspect in an arson case. Charley has vowed to stay away from him until she can find out the truth, but then dead women start appearing in her apartment, one after another, each lost, confused, and terrified beyond reason. When it becomes apparent that her own sister, Gemma, is the serial killer's next target, Charley has no choice but to ask for Reyes' help. But he wants something in return: Charley. All of her body and soul. And to keep her sister safe, it is a price she is willing to pay. *Sixth Grave on the Edge* When the FBI file on Reyes' childhood happens to land into Charley's lap, she can't help herself. She opens it, and then the real fun begins. First, Charley finds a naked corpse riding shotgun in her car. Then a man loses his soul in a card game. Throw in a Deaf boy who sees dead people, a woman running from mobsters, and a very suspicious Reyes, and things can't get any worse for Charley. Unless, of course, the Twelve Beasts of Hell are unleashed. Poker Face Melissa Pearl, 2015-02-27 Held captive for her ability to read people's true emotions, Caitlyn is forced to work for a ruthless man who never gives up what he considers his. Caitlyn's ability to see the true emotions beneath the masks has finally caught up with her. She's now a prisoner forced to use her gifts to advance the shady business dealings of rich and powerful casino owner Santiago Gomez. As his captive, Caitlyn witnesses illegal deals and meets his criminal connections, and she soon realizes that Santiago will never let her escape. She's seen too much, and she's making him too much money. Her only hope is her boyfriend, Eric, and the scribbled note she left him before she was dragged into this mess. Eric knows something bad has happened to Caitlyn, and he's positive she didn't really want to break up with him like she'd written in her note. But she's disappeared without a trace, and he has no idea where to search for her. First, panicked and desperate, Eric follows a tenuous lead to Las Vegas, not caring that his rescue attempt might cost him his life. All he knows is that he has to find Caitlyn before it's too late. This explosive ending to the Masks series is packed with gripping tension and a nail-biting conclusion that you won't see coming. This was an amazing end to a truly terrific series. Katie J. reader review: The romance, the suspense, that gut-wrenching thrill of this adventure with Eric and Caity, there's just no word to describe it. You have to read the book yourself and experience the ride to feel how it felt. I was so immersed into the story that it didn't feel like I was reading it; it felt like was

Literature is a comprehensive study of the family in Anglophone children's and Young Adult literature from the early nineteenth century to the present day. Written by intellectual leaders in the field from the UK, the Americas, Europe, and Australia, this collection of essays explores the significance of the family and of familial and quasi-familial relationships in texts by a wide range of authors including the Grimms, Frances Hodgson Burnett, Rudyard Kipling, Enid Blyton, Judy Blume, Jacqueline Wilson, Malorie Blackman, Melvin Burgess, J. K. Rowling, Neil Gaiman, and others. Author-based and critical survey essays explore evolving depictions of LGBTQIA and BAME families, migrant and refugee narratives, the popular tropes of the orphan protagonist and the wicked stepmother, sibling and intergenerational familial relationships, fathers and fatherhood, the anthropomorphic animal and surrogate family, and the fractured family in paranormal and dystopian YA literature. The breadth of essays in *Family in Children's and Young Adult Literature* encourages readers to think beyond the outdated but culturally privileged nuclear family and is a vital resource for students, academics, educators, and practitioners.

Audacity of the Spirit, 2019-06-07. *Audacity of the Spirit* by A. F. Losev, 1893-1988, dares us to think holistically and dialectically. Translated from the Russian original *Politizdat Moskva* 1988 by Peter R. Weisensel and Vitali I. Betaneli, the book falls into three parts: the dialectical method, Losev's application of dialectics to history and culture, and his personal reflections on studying philosophy. Losev's insatiable intellectual curiosity probes a remarkable variety of areas. Positions he considers, though, are not always easily reconcilable, as with Marxism, Leninism, and Orthodox Christianity. In Losev's conception of culture, however, culture and the intrinsic unity of any given cultural order is the common element that underlies everything living, even the order's incompatibles. The given culture cannot be reduced to any single position nor to all of them taken together. *Audacity of the Spirit* is an introduction to dialectics for beginners, but it is also a major philosopher's summing up of his reflections to a non-specialized audience.
