running out Agents and officers are leaving the Secret Service in droves or they're being overworked to the point where they lose focus on the job Management makes decisions based on politics not the welfare of their employees Byrne believes that this means danger for the men and women of the Secret Service danger for the President they protect and danger for the nation In this book he shares what he has witnessed and learned about the Secret Service with the hope that the problems of this most important agency can be fixed before it's too late

The president's military aide carries the nuclear football which is a leather covered titanium case that weighs forty pounds It contains a variety of secure phone capabilities and options for launching nuclear strikes 2 When Biden travels he insists on only two Secret Service vehicles In contrast when Reagan traveled the military aide with the nuclear football was on horseback with him Only the president or the vice president as their constitutional successor can order the release of nuclear weapons 3 The football is so highly classified that all information about it has been incorrect It does not operate like an ATM with the president or vice president inserting the authenticator card and punching in launch codes to authorize a strike 4 Despite the obvious danger to the country no one in Secret Service management has ever blown the whistle on Biden His behavior is equally bizarre He regularly goes swimming nude in his pool at his residence in Delaware and his vice president's residence in Greenville

8 Reasons Why I am No Longer A Democrat! Dr. Glenn Pinckney Sr, 2016-11-21 This book is written in this manner size and style to easily show the biblical relevance of our civic actions as well as improving our daily relationship with our Lord My utmost desire is that Born Again Believers embrace the truth of Christ like living not religiously but in reality A reality that transcends tradition customs and we've always done it this way kind of thinking I grew up in the South where traditions and customs run deep However God's Word inspired me to think about many of these customs For example many Southern Black people regardless of academic achievements pronounces the word ask as axe without thinking about why Also many vote for Democrats their entire lives without any regard to the Democratic Party's Platform the Candidate's stand on abortion homosexuality lesbianism or any other social issues Yet on Sundays they will worship and praise God Then on Tuesdays they will vote in direct contradiction to the very God they worshipped and praised just a few days before We simply vote as Democrats as if it's in our DNA not giving thought to how our vote will enable the enemy of our soul to move against our beliefs our church even our Salvation Is that biblically correct Well as Believers in Jesus the Redeemer of mankind our DNA has been transformed Shouldn't we reflect that change in our daily lives as well as in our civic responses to social issues in our community and our country It is my prayer that the reader will get answers to these and other questions that confront a child of God traveling through this journey of life with the Savior

Studying these events over time with an emphasis on the evolving responses of both statesmen and citizens reveals the republic's deteriorating moral health and illuminates the country's dangerous tendency toward servitude. Using scandals as a window through which to glimpse our deterioration, the book identifies a trajectory of decline beginning in the twentieth century by which Americans became less tutored in virtue, less spirited in citizenship, less agreed on questions of moral significance and ultimately less dexterous in exercising the skills of self-government. It seeks to show that the freedom from virtue won through the collapse of moral standards has produced an American citizenry increasingly prone to the kind of dependence and enslavement Alexis de Tocqueville cautioned against in the 1830s. Presidential Sex Wesley O.

Hagood, 1998 With profiles on Bill Clinton, Thomas Jefferson, FDR, JFK, Lyndon Johnson, and Eisenhower, this book describes the impact that freewheeling sexual behavior has had upon first families, election campaigns, political careers, and the nation itself. **Mint Juleps with Teddy Roosevelt** Mark Will-Weber, 2014-10-20 Stroll through our country's memorable moments from George Washington at Mount Vernon to the days of Prohibition, from impeachment hearings to nuclear weapons negotiations, and discover the role that alcohol played in all of them. With Mark Will-Weber's *Mint Juleps with Teddy Roosevelt: The Complete History of Presidential Drinking*, as America transformed from fledgling nation to world power, one element remained constant: alcohol. The eighteenth century saw the Father of His Country distilling whiskey in his backyard. The nineteenth century witnessed the lavish expenses on wine by the Sage of Monticello. Honest Abe's inclination toward temperance and the slurred speech of the first president to be impeached. Fast forward to the twentieth century and acquaint yourself with Woodrow Wilson's namesake whisky, FDR's affinity for rum swizzles, and Ike's bathtub gin. What concoctions can be found in the White House today? Visit the first lady's beehives to find out. In *Mint Juleps with Teddy Roosevelt*, you'll learn which Founding Fathers had distilleries in their backyards, the teetotalers versus the car totalers whose expensive tastes in vintages led to bankruptcy, which commanders in chief preferred whiskey to whisky, the 4 C's: Cointreau, claret, Campari, and cocktails. The first ladies who heralded the hair of the dog and those who vehemently opposed it. The preferred stemware: snifter or stein. Which presidents and staff members abstained, imbibed, or overindulged during Prohibition? Recipes through the ages, favorites including the Bermuda Rum Swizzle, Missouri Mule, and Obama's White House Honey Ale. So grab a cocktail and turn the pages of *Mint Juleps with Teddy Roosevelt* for a unique and entertaining look into the liquor cabinets and the beer refrigerators of the White House. Cheers. Marilyn Monroe: a Case for Murder Jay Margolis, 2011-08-03 It is one of the greatest mysteries of the twentieth century: How did Marilyn Monroe die? Although no pills were found in her stomach during the autopsy, it was still documented in the Los Angeles coroner's report that she had swallowed sixty-four sleeping pills prior to her demise. In *Marilyn Monroe: A Case for Murder*, biographer Jay Margolis presents the most thorough investigation of Marilyn Monroe's death to date and shares how he reached the definitive conclusion that she was murdered. Margolis meticulously dissects the events leading up to her death, revealing a major conspiracy and countless lies. In an

exclusive interview with actress Jane Russell three months before her death he reveals Russell's belief that Monroe was murdered and points the finger at the man she held responsible While examining the actions of Peter Lawford Bobby Kennedy and Monroe's psychiatrist Dr Ralph Greenson Margolis establishes a timeline of her last day alive that leads to shocking revelations In August 1962 Marilyn Monroe's lifeless body was found on her bed leaving all to wonder what really happened to the beautiful young starlet Marilyn Monroe A Case for Murder provides a fascinating examination of one of the most puzzling deaths of all time
