

As you approach a roundabout, slow down to the advisory speed and prepare to stop if necessary.

2 Choose the proper lane

If you're approaching a multi-lane roundabout, enter the appropriate lane well in advance of the intersection. Follow the signs showing which lanes can be used for different turns. For example, the sign beside this text means that:

- Right turns must use the right lane.
- Left turns must use the left lane.
- Drivers going straight through may use either lane.

If you're approaching a single-lane roundabout, you may only enter the single lane and must follow all signs.

3 Stop for pedestrians

Just before you reach the roundabout, look for any pedestrians in the crosswalk. Never block the crosswalk.

4 Yield to traffic

7 Stop for pedestrians

Watch for pedestrians as you exit the roundabout and stop for any pedestrians crossing.

Roundabout An Informational Guide
