these diverse readings so that they fit together into a rich mosaic of Southern life and history The sections of the book The
Old South The Civil War and Its Consequences Hard Times and The Turning unfold a vivid record of life below the Mason

Dixon line We see the antebellum period both from the perspective of those who experienced it first hand such as Thomas Jefferson and former slaves Olaudah Equiano and Frederick Douglass and then from the perspective of authors looking back on that era including William Styron and Sherley Anne Williams Likewise we see the Civil War through the eyes of witnesses such as Sam Watkins through the eyes of later writers trying to make sense of the conflict such as Robert Penn Warren and through the eyes of those using the war's intense passions to fuel their fiction such as Margaret Mitchell and Barry Hannah The classic authors of the Southern Renaissance in the 1920s and 1930s appear here in the context of the hard times in which they wrote The years since World War II are chronicled in the powerful words of Martin Luther King Jr's Letter from Birmingham Jail George Garrett's Good bye Good bye Be Always Kind and True and Peter Taylor's The Decline and Fall of the Episcopal Church in the Year of Our Lord 1952 The editors have selected these readings their Preface tells us to convey the passions that have surfaced time and again in more than two hundred years of Southern writing Indeed the struggles defeats and triumphs chronicled in The Oxford Book of the American South speak not just to the South but to all of the American experience They document and evoke some of the most dramatic episodes in the nation's life
