Secret Rovers James Taylor, Douglas Cooke, 2025-04-29 In the late 1960s the old Rover Company put everything it knew into a complex luxury saloon codenamed P8 At the same time it planned to branch out into a new sector of the market with a stunningly advanced mid engined sports car prototype that became a formal project with the codename of P9 However with the forced merger into British Leyland in 1968 Rover found itself squeezed between Triumph and Jaguar neither marque welcomed the new sports car and Jaguar particularly did not welcome the new luxury saloon Little by little Rover's plans were undermined and in 1970 the sports car was killed off followed by the luxury saloon which was axed in 1971 a mere six months before production was due to start Just a year later Rover itself ceased to exist as a separate business after a forced merger with Triumph

Range Rover Specification Guide James Taylor, 2024-06-14 This book is designed to give guidance on the original ex factory specifications of the first generation Range Rovers built between 1970 and 1996 Sometimes known as Range Rover Classics although the only ones properly so called were built after autumn 1994 these models laid the foundations for the following generations of Land Rover's world acclaimed Range Rover Many of these early Range Rovers fell on hard times as they passed on to third fourth and subsequent owners Many were butchered beyond recognition when converted into off road playthings But now more than a quarter of a century since the last examples were built it is no surprise that enthusiasts have begun to restore examples to their original condition This has created a demand for accurate information about what that original condition actually was James Taylor has trawled painstakingly through original documents and examined original vehicles to put together all the known facts in one place This guide will be essential reading for everyone with an interest in restoring or running one of these iconic models that became the foundation of today's Land Rover marque
