The Murderer Roy Heath, 2022-05-03 Reprint Originally published London Allison Busby 1978 **Aftermath of Empire** Ameena Gafoor, 2017 If proof were needed as to how far the literary imagination can take us into the minds and motivations of fictional subjects then Heath's creative output provides rich and rewarding scope Glimpses into the flawed psyches of irrational illogical characters who lack self knowledge and who people Heath's nine novels cause us to reflect on the words of Josef Conrad The only legitimate basis of creative work lies in the courageous recognition of all irreconcilable antagonisms that make our lives so enigmatic so burdensome so fascinating so dangerous so full of hope This is the only fundamental truth of fiction Roy A K Heath 1926 2008 was born in British Guiana now Guyana He fled a stultifying colony in 1950 and headed to the United Kingdom where he became a teacher by profession a lawyer by training and a writer by conscience Heath authored nine novels the first published in 1974 all uncompromisingly grounded in the landscape and the sociopolitical and cultural reality of twentieth century Guyana Coming after a long line of perceptive Guyanese and regional writers Heath has practically refined the Guyanese and regional novel With their psychological realism his novels transcend politics and reach for man's essential condition of existence This is the first critical study on Heath's entire body of work
