

The background of the cover is a painting of a pond. Large, green lily pads with prominent veins are scattered across the surface. A small, bright pink flower is in bloom on one of the lily pads. In the lower left, a red lotus bud is visible. The water is dark and reflects the light from the top left corner, creating a shimmering effect.

romaanitaide Markku Lehtimäki, 2022-08-12 Sofi Oksanen is the most visible and widely discussed Finnish author of the 21st century yet her novels have gained less attention than her public performances This study shifts the focus from the author's persona to her literary art proposing to read Oksanen's fiction from the methodological viewpoint of the rhetorical theory of narrative Accordingly Oksanen's six novels published to date *Stalinin lehmä* *Baby Jane* *Puhdistus* *Kun kyyhkys katosi* *Norma* and *Koirapuisto* are considered as examples of authorial rhetoric and ethics as narrative and textual constructions and as affective readerly experiences Instead of only following the rhetorical theory's emphasis on character plot and progression however the study develops a new kind of narrative rhetoric which also pays attention to language and politics In the study Sofi Oksanen emerges as a feminist narrative artist who employs fiction as a serious rhetorical resource in order to say something worthwhile about the past history as well as the contemporary world **Ensyklopedia matkaajan Intiaan**
