Crosby, 2017-06-20 God Loves a Heart on Fire What can move your faith from a principle you learn to a passion you experience According to Samuel Rodriguez and Dr Robert Crosby the answer might be found in a surprising place the Latino church As the fastest growing minority in America Latinos are impacting church culture through vibrant worship fervent prayer and a commitment to change the world one soul at a time As a follower of Jesus has your soul been truly set afire Christian leaders are witnessing a remarkable phenomenon kindled first in the Latino Hispanic community and spreading like wildfire throughout the global church Latinos are much discussed in the United States for their dynamic political and socioeconomic impact but not as much is said about their spiritual influence In reality the effects of the Latino
