Strength is the ability to cover up hidden wounds. Moreover, strength can be stated as the capacity to let go of that thing that is disturbing an individual to be or merely exist. Moreover it is an embodiment of compassion and sustenance, to get used to and agree to take the state of things by dealing with them with elegance.

Laila as a character in a thousand splendid suns by Khaled Hosseini portrays herself as being a lady with strength. Laila is a young girl born sometime after the marriage of Mariam and Rasheed the husband. Laila is their neighbor since she happens to stay near their home. Laila has grown knowing a particular friend of hers by the name Tariq .She falls in love with Tariq since she has been understanding her ever since she was a young girl. However, Tariq has no leg as he stepped on a landmine and the leg was blown off. Nevertheless, Laila loves Tariq all the same. Laila portrays street since strength in the long run in leads to love (Brown, 2013).

However, Laila is blessed with two brothers Ahmad and Noor. On the other hand, the two brothers are killed as they headed for a war in the jihad for the Mujahideen. Laila is left in the foster care of her mother who after the death of her two sons she becomes weak and couldn't do a thing by her own. Conditions and circumstances become hard and unbearable for everyone when a conflict arose in the inner parts of Kabul where Laila and the remaining family members reside, but they are disrupted from staying there because of the increasing war.

Laila appears to be a lucky girl given the circumstances and the conditions she leaves in she still affords to study due to her father's emphasis to go to school. But again Laila becomes afraid because of the erupted war and that the streets are becoming too dangerous for her to attend the school anymore. Since Laila is a strong woman, she lets go of the school and focuses on studying at home. Her father is the only person left to tutor her she decides that staying home is the best way forward. However her father Hakim insists on relocating to Afghanistan but still her mother Fariba cannot leave the land despite the fact that they are in the war zone. Laila is left with no choice but to stay with her parents in the war-prone region in Kabul (Glover, 2016).

Nevertheless, Laila portrays strength since she knows that she has lost a lot and that she together with her parents they are nothing and that they have no strength. They have no strength because when their colleagues are leaving and that includes Laila boyfriend who is leaving for Pakistani. For this reason, Laila feels distressed before Tariq goes. Moreover, Tariq Laila's boyfriend asks for a hand in marriage, but Laila inner strength refuses since her parents do not have somebody else to look after them. Power is the ultimate truth, and for this reason, she gains courage and tells Tariq that she cannot leave her father alone (Glover, 2016).

Moreover, after a week, Tariq family vacates the war area to Pakistani, and he leaves Laila with her parents behind. Laila against depicts love for her family. Besides power is love. The war intensifies in Kabul as Laila by Allah's good luck misses a bullet. Laila still does not tell her parents to relocate the area because she has that inner strength that keeps her going since power has to do with defenselessness (Brown, 2013). Fariba after seeing that the war is intensifying she asks her husband to move little have they packed their luggage that they are severely hit by a bomb that mercilessly
