Regulatory Support Division,2002 **East Asian Development Model** Shiping Hua,Ruihua Hu,2014-12-17 Given the impressive growth in East Asia after World War II initially led by Japan the region s development models have been scrutinized since the 1980s The shared Confucian cultural heritage strong government guidance and export led economies were often cited as contributors to the impressive growth However major changes have taken place in Asia on and around the turn of the century Japan experienced two decades of economic slow down while World Bank figures reveal that China is poised to become the largest economy in the world in 2014 overtaking the United States Bearing this in mind is it even possible to formulate an East Asian development model in the context of a shifting twenty first century And if so what is it This book addresses this issue by looking at the economic political and cultural perspectives of China Japan and South Korea focusing on dynamism and potential consensus regarding

an East Asian development model The chapters offer a historical background to the East Asian development model as well as in depth case studies of each of the countries concerned to show that whilst the East Asian development model does have distinct characteristics as compared with other areas and other countries may draw some insights from the East Asian experience it is not a panacea that fits all circumstances and fits all times This book will be welcomed by students and scholars of Asian economics Asian politics international political economy and development studies *How to Manage and Survive during a Global Crisis* Piyush Sharma,Tak Yan Leung,2024-07-26 Sharma and Leung explore the differences in the national and organizational responses to COVID 19 across various countries The COVID 19 global pandemic is possibly the worst healthcare disaster ever and recent studies highlight several differences in the response to COVID 19 Some countries acted quickly with strict measures to successfully contain the initial spread of the COVID 19 and minimize the number of cases and deaths while others have not been as proactive and have suffered more as a result The book is organized under distinct themes based on the stages of the COVID 19 pandemic consisting of a discovery and early response b global spread and reactions c early successes and failures and d subsequent waves and new strains It goes on to analyze the differences in national responses to draw important lessons for managers and governments and concludes with policy recommendations A useful guide for students managers and the general public who are interested in learning about the COVID 19 experience and how such global crises could be managed more effectively in future *Daily Graphic* Yaw Boadu-Ayebofoh,2006-03-10
