When Lightroom isn't the best tool Tony suggests better alternatives. Combining the benefits of video training and book learning, this video book gives you over 14 hours of video and dozens of free presets and raw images to practice with. If you learn better with video, watch the video training and refer to the book for quick reference. If you prefer reading, the book is concise and practical, and each chapter links to relevant videos when you want to understand a topic more deeply or see it used in the real world. Tony covers every aspect of Lightroom in depth but structures his teaching so that both beginner and advanced photographers can learn as efficiently as possible. If you just want a quick start, you can watch the first video or read the first chapter and you'll be organizing and editing your pictures in less than an hour. If you want to know more about a specific feature, switch to that video or jump to that chapter in the ebook. If you want to know everything about Lightroom, watch the videos and read the book from start to finish.
