shouldn't really be possible Everything is about to change And we do mean everything Black and Blue Derwin J. Bradley, 2007-02-02 In 2006 an ambitious group of writers published The Covenant with Black America a blueprint for Blacks to achieve the American dream Inside The Covenant is a disturbing section titled Fostering Accountable Community Oriented Policing This section is supposed to educate Blacks on how to deal with Law Enforcement and understand Police operations Sadly The Covenant misses the mark and only offers inflammatory and misleading information that will only lead to more distrust between citizens and Law Enforcement Black and Blue brings out the broad sword of truth and offers all citizens a frank and honest look at modern policing in America and what they can do to build a better relationship with their Law Enforcement agencies Using actual police cases and incidents Black and Blue boldly explains all aspects of police work as well as the thought process of the officers that patrol your communities Fall, Stand, and Repeat: My Martial Arts Journey Anthony Vano, 2017-10-25 This book will not teach you how to fight physically but mentally how martial arts training can give you a powerful mental edge and a strong mindset It's a book about how martial arts helped me on my personal journey how martial arts helped me realize the power of respect discipline and honor It will show the importance of controlling your focus and not letting anger frustration or fear destroy you This is a simple story of an ordinary man who deeply has enjoyed growing and training in the martial arts and how the martial arts training has been a beautiful distraction from the negative drama that life throws at times In over 20 years I've learned many valuable skills and life lessons One of the most impactful skills I learned in all my martial arts training is the application of a simple formula Fall Stand Repeat If you can learn to habitually climb your way back up from the inevitable falls both on the mat and in the dojo of life you will achieve and exceed your goals
