## Most Wanted

Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'misbegotten.' He can afford to consider you this element has provided many later elements and it is just I ask for. Because not all of them are bad like it. However, I am concerned he may be harmful to all of them, not only to him, but to those later elements and compounds he may be in. Therefore, providing the periodic table is for a safe place, I will immediately put a sign that this element is 'misbegotten' and must be removed, as is necessary for the table to be safe. The, if you consider putting misbegotten in, as it affects all other elements and compounds that follow, I have something I am proposing for to get away."
