**Perplexing Creative Photography of Ghostly Figures in the Smoke** Grace Divine, 2014-12-01 When I was thirteen or so my father brought us to Orange County California I didn't speak English And where I lived then there was no ESL So I learned English watching the puppet TV program Sesame Street Years later when my father died we buried him at the Pacific View Cemetery It is a beautiful cemetery Today as I write these words my father and son and buried there One day I decided to visit I was at home In anticipation I lit some incense To my amazement what I felt as incredible wisps of smoke arose from the burning incense Inspired and curious I looked them And I thought I saw things in the smoke What is the nature of reality Is the apparently empty space around us just that empty space Of could it be that something or someone inhabits those places our eyes can't see In ancient times there were people who believed in the power of smoke for divination purposes Somehow they felt the smoke could take on the shape of things to come And even more some felt the smoke could be a means of communication used by those conscious things in other dimensions to communicate with use humans This constitutes an artistic and creative quandary I wonder if it is possible that something inhabits our world and that something somehow can be picked up in the shapes of smoke So I invite you to look at these pictures and use your creativity and imagination Allow your mind to wonder and fade into the possibilities of what could be And I ask you what do you see in these images Grace Divine

Problem Every once in a while you ll get a ghost in your photo who s clearly confused about the whole thing They can t figure out how to operate your phone and as a result they keep accidentally snapping blurry photos Ugh why are all my selfies like this the ghost of Grandma Marge asks as she stares into the camera perfectly capturing a blurry shot of the living room lamp Of course there are no instructions in the afterlife on how to work a phone and Grandma s just as confused as ever She s still using her old rotary phone in the spirit world so it s no wonder her attempts at smartphone photography fall short Chapter 5 The Possessed Camera You ve got an old camera you found in the attic and suddenly your photos are filled with eerie results It turns out the camera itself is haunted by an ancient photographer who loves to mess with your photos Your smile is distorted in every shot like the ghost of a 1920s photographer who thought he could get creative with angles Am I really this pale you ask noticing your ghostly reflection in the corner of every shot The camera of course remains silent but its flash goes off at the most inconvenient times Chapter 6 The Haunted Photo Album Have you ever opened an old photo album and found that some photos are slightly different In this chapter we dive deep into the mystery of photo albums that seem to change on their own One minute you re flipping through a family vacation album and the next thing you know that picture of you in a swimsuit suddenly includes a ghostly figure wearing a tuxedo Nice try but we all know that ghostly figure is definitely my dad you laugh nervously Dad really You had to wear that tux even in the afterlife But no it s not Dad It s the spirit of someone else who apparently really enjoys formalwear Chapter 7 Ghosts on Zoom Calls In this modern age ghosts have adapted to the digital age No longer content with traditional haunting methods they ve moved to video calls Picture this you re on a Zoom call with coworkers trying to get through a meeting and suddenly the face of a ghost appears on the screen blocking your presentation Excuse me but I m trying to share my screen you shout trying to swat away the ghost as it dramatically poses It s your late Uncle Larry who somehow thinks video conferencing is a great way to check in with the family He s also trying to give you career advice from beyond the grave Spoiler alert it s not good advice Chapter 8 The Conclusion Ghosts Just Wanna Have Fun At the end of the day the ghosts in your photos aren t here to scare you They just want to have fun Whether it s photobombing getting lost in your filters or interrupting your Zoom calls the afterlife isn t as grim as it used to be So next time you see a ghost in your photo don t panic They re probably just trying to make you laugh After all isn t that what family is for even if they re dead Bonus Chapter How to Set Boundaries with Ghosts and Other Undead Relatives Let s face it having your deceased relatives constantly show up in your photos can get a little overwhelming In this final chapter we ll offer some helpful tips on setting boundaries with your spectral family members From setting Do Not Disturb notifications to offering them a seat at the table but not the main one you ll learn to navigate your new reality where ghostly relatives just want a little attention on their own terms
