And if you're looking for a hands-free approach, *Millionaire Expat* offers something for you as well: lists of roboadvisors and full-service financial firms that offer guidance and build portfolios of ETFs and index funds. But what if you started investing late and can't afford to retire? In that case, Andrew Hallam has you covered. He profiles several low-cost countries that are popular with expats. He explains what countries are great for Global Nomads and for retirees looking for tax breaks, safety, solid health care systems, and a low-cost, enjoyable standard of living. *Millionaire Expat* 3rd edition is an entertaining guide showing readers how to maximize their money and their life satisfaction based on simple smart investing and their choice of retirement destination.
