Poems from the Heart Christine Powell,2006-02-27 Poems from the heart is an emotional poetry book on real or fantasy experiences by me or people I have come to know I wrote my first poem when I was 12 I think that behind every poem lies a deep emotional story This is a big help when it comes to writing novels as I can feel every bit of a poem The cover consists of a heart with a dagger through it cracking it and a halo round one side I think this cover describes every emotion within the book For example the heart is where the poetry comes from the dagger represents the anger and the hate the crack represents weakness a heart will crack under pressure the redness of the heart is the passion and happiness and the halo represents the strength and the mending of a heart The fear is represented by the crack as well Most of these poems are based on true life experiences My favourite poem is My saviour dreams as it describes me I feel that I waste my mind working like a robot in a factory when my ambition and passion for writing is so strong I decided that poems from the heart should be my first published book because it was poetry that I started off doing I have set out the poems in order going from weak to strong love to hate and back to love I thought it was important to show a strength coming from a weakness and that love and hate can be so similar That fear can make you more weary of the world and the people in it I have really enjoyed writing poems from the heart as I am enjoying writing my novel The poems towards the end of the book i e The London bombs my single last tear and my saviour dreams are some of the most recent ones I just hope that people will enjoy reading them as much as I have enjoyed writing them **Poems of the Heart** J. poetry when I was seventeen years old I found out that when you put your thoughts into words sometimes magic happens I'm not talking about genies popping out of a bottle or anything like that but in how I see things clearer and how beautiful this world truly is I found out later in life how much easier it was to find a date in high school I used to try and talk to girls and found out sometimes I'd get a little gun shy and pass up my chance Then one day I wrote a poem for this girl I had my eye on I walked up to her and handed her the poem and then walked away Later she approached me and we went out on a date I found the magic potion to breaking the ice so to speak was a piece of paper and a writing pen I learned how to put my thoughts down on a piece of paper which later I put into a blank book that I would write my poems in After I was told by at least fifty or so people that I should share these poems to others I sat down and sorted out the poems I thought could touch your heart the best I hope my poems are inspirational enough to help you create your own book **Poems from the Heart**

Poems From the Heart Jean Marie Norman,2024-02-27 This book of poetry started with no thought process at all A few poems written over many years Mostly with very personal messages to family and friends Poems to my husband my grandchildren my friends Then for unknown reasons I started writing about life My life the lives of people I know and simply life in the world in which I live Many of these poems lean close to my heart thus the title They certainly do reflect my personal thoughts on life love loss and laughter Asterisked titles are titles given to me over time by my BFF who challenged me to write the poem You might say she spurred me on The world I grew up in and the world my grandchildren are growing up in are so significantly different it's sometimes hard to even imagine My poems reflect the changes both good and bad as perceived by the writer Some strike on my past some on the sadness of today's world and some simply on the joy I see in life I hope you find comfort humour and a wee bit of quietude in some of the poems and that you see the beauty of life both in the human factor and the world we've been given to care for *Poems of the Heart* Isaac Gathings,2012-04-19 These poems came about due to being incarcerated These poems have helped me escape the reality of life Many poems express how one person feeling about someone or something Some of my poems have a feeling of a dark side Others express a kind caring and

loving side Facing daily challenges has giving me the inspiration to express my feelings and thoughts Others also have inspired me to write these poems which is my way of expressing myself Many write poems to the special someone or express the anger or sadness These poems express struggle solitude and emotional strings being pulled in many directions These poems have also helped me escape the reality of prison What I have felt soon enough helped me bring them to paper as a poem As you the reader I hope you feel what I felt as I wrote them **Poems from the Heart** C. D. Boyden,2014-10-16
